On 1st October, ITL Public School celebrated Gandhi Jayanti with a thought-provoking assembly, focusing on the theme "Living Life the Gandhian Way."

The assembly opened with a **welcome note** from senior students, emphasizing the importance of Gandhian values such as truth, simplicity, and non-violence. A brief **news update** followed, keeping the audience informed of current events. A soulful moment of the assembly was the **live music** performance, where students presented bhajans closely associated with Gandhi, such as **“Raghupati Raghav Raja Ram.”** The melodious rendition of these devotional songs created a serene atmosphere, connecting the audience to Gandhi's spiritual beliefs and values. A **motivational story** from Gandhi's life illustrated his commitment to non-violence and discipline, inspiring students to adopt simplicity and empathy in their lives. The Head Girl, Naisha Manchanda, then delivered a compelling **Ted Talk** on the relevance of Gandhi's principles today, urging students to focus on self-reliance, sustainability, and peace.

The event concluded with a **satirical comedy** featuring a humorous conversation between Gandhi and Sardar Patel, which entertained the audience while highlighting their contributions to India's freedom struggle.

This assembly effectively blended education with entertainment, leaving a lasting impact on all the students.
