2	<p>Day, Date</p> <p>8:30 p.m.</p> <p>Dear Diary,</p> <p>Today was an amazing day because we went on a school excursion to The Asiad Circus! I was so excited to see the circus with my friends. All of us went to the circus in our school bus and the moment we arrived, the colorful tents and the lively music got us all excited. The circus show was great and we were so happy! We saw performers doing amazing tricks, and the clowns were so funny, making everyone laugh. There were different performances like acrobatics, ariel acts, balancing and juggling. Our teachers made sure we were having fun, and it was great to see them having fun too. We had brought tasty snacks like chips, juice and ice cream. We shared it with our friends, and the whole day was filled with laughter and fun. I can't wait for our next school trip!</p>
