***"Diwali is a time to celebrate the triumph of light over darkness, knowledge over ignorance, and hope over despair." - Anonymous***  
***"The significance which is in unity is an eternal wonder." - Rabindranath Tagore***

The Vivekanand House of MBS International School organised vibrant Diwali celebrations, bringing students from Classes Nursery to V for a special assembly on 29 October 2024. This event celebrated Diwali, one of India's most cherished festivals, symbolising the victory of light over darkness and good over evil.

The assembly commenced with the chanting of the Gayatri Mantra, followed by the National Song, creating a peaceful and auspicious start to the celebrations. The 'Thought of the Day' reminded students of the deeper significance of Diwali, emphasising values such as joy, kindness, and love. An impactful speech on the importance of Diwali's historical importance was delivered by a student of Class 5, underlining the values of honesty, harmony and unity.

In addition to Diwali celebrations, the school observed National Unity Day, remembering the birth anniversary of Sardar Vallabhbhai Patel, a leader instrumental in India's unification. The students pledged to uphold national integrity, followed by an inspiring speech on Patel's contributions. A quiz highlighting his life and achievements engaged students, with winners receiving prizes.

Students from Classes I-V filled the school ground with festive cheer through a lively rendition of a traditional Diwali song. The students performed a skit that portrayed the true spirit of Diwali, promoting charity over fireworks and emphasising kindness and generosity.

The event concluded with an energetic dance by Classes Nursery to II.. The little feet with their synchronised moves and radiant smiles embodied Diwali's festive spirit, leaving everyone in high spirits.
