

PRATAP INTERNATIONAL SCHOOL

Grade – (MT – PREP)

OCTOBER(2024)

SYNOPSIS: Students in school engage in a variety of enjoyable activities , fostering both academic and personal growth. Children enjoyed a lot and also participated in subject related activities and co-curricular activities as well:

- ❖ BAAL KAAND
- ❖ AYODHYA KAAND
- ❖ DURGA PUJA
- ❖ DUSSEHRA
- ❖ DIWALI CELEBRATION
- ❖ HALLOWEEN

❖ BAAL KAAND:

Our pre-primary students brought the Baal Kaand of The Ramayana to life, showcasing the childhood of Lord Ram with grace and joy. Their performance on the first day of Navratri filled our hearts with pride and devotion. With innocence in every act, they reminded us of the timeless values of the Ramayana.

❖ AYODHYA KAAND:

Celebrating the 2nd day of Navratri with our talented pre-primary students performing the Ayodhya kaand from the Ramayana!

Their portrayal of this timeless tale was full of heart, capturing the essence of devotion and values. Our little ones truly brought the story of Lord Ram to life, filling the atmosphere with festive joy and energy.

❖ DURGA PUJA:

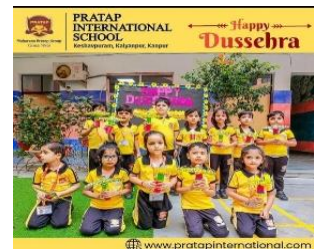

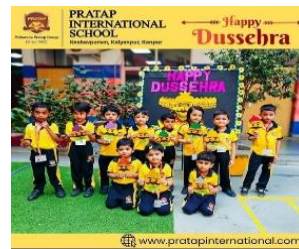

On this auspicious occasion of Maha Navami, Pratap International School celebrated with devotion and joy through a sacred Pooja and Kanya Bhoj. Our students participated in honoring the divine feminine energy, symbolizing purity and strength. The event was a beautiful reminder of the power of togetherness and tradition.

❖ HALLOWEEN:

Halloween magic was in the air at Pratap International School. Our student embraced the spooky spirits dressing up in a fantastically costumes from witches and wizards to Ghost and goblins. The day was filled with creativity, fun, and few friendly frights..

❖ SHOW AND TELL ACTIVITY:

Our little stars from Pre-Primary had a fantastic time during the Show & Tell activity! Each child proudly presented their favorite toys, books, and objects, sharing wonderful stories behind them. It was amazing to see their confidence and excitement as they spoke about the things they love. This fun and interactive session boosted their communication skills while encouraging creativity and self-expression.

- **Science Activity**

This activity is a great way to teach kids about science, chemistry, and the properties of salt. It's a fun and interactive way to learn about the dissolving process and can be adapted to suit different age groups.

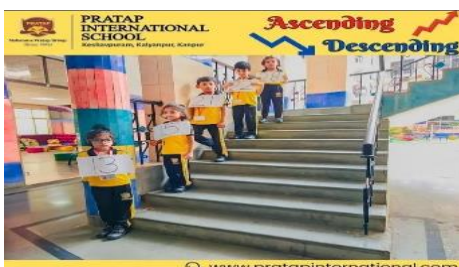

Class PREP

- **Ascending/Descending Order:**

Our Prep students at Pratap International School were taking big steps in their learning journey! They explored the exciting world of numbers by mastering ascending and descending order. Through fun activities and hands-on practice, our little ones were developing a strong foundation in maths, building confidence with every step.

We were so proud of their progress and can't wait to see them excel even more!
