Embracing Wisdom, Igniting Futures: GRADE UKG (Seedlings)

Dear Parents,  
Greetings!

We are delighted to present the Pre-Primary Wing Newsletter for the first quarter of the session 2024-25 which is a vibrant and engaging compilation of our students' activities. This newsletter serves as a window into the bustling world of our youngest learners, showcasing their creativity, enthusiasm, and the joyful spirit they bring to our school community.

Our little ones have been fairly busy in this quarter! Each page of the newsletter reflects growing skills of our children, highlighting the incredible progress they are making in their developmental journey.

As we look forward to the coming months, we are excited about the many activities and learning experiences planned for the Foundational Years. Our goal remains to provide a nurturing environment where each child can explore, discover, and grow.

We hope you enjoy reading this newsletter as much as we enjoyed putting it together. Thank you for your continued support and involvement in your child's education. Together, we create a foundation for lifelong learning and success.

Warm regards  
Director-Principal

# First Day Of School

**A cheerful welcome helps kindergarten children start their school journey positively. To make the experience exciting, happy, and memorable, various activities like magic shows, crafts, and games were organized. The tiny tots were captivated by interesting story sessions with props. At the end, the magnetic smiles of the little Xavierians wearing attractive headgear were captured in a beautiful photo booth.**

# EID CELEBRATION

**Eid is a time of joy and togetherness. At Xavier's, we celebrated this day in true festive spirit by discussing the rich traditions and stories behind this important day, followed by a card-making activity. Through these beautiful takeaway cards, students showcased their creativity as we celebrated this joyous occasion.**

**Happy Eid!!**

# HAPPY BAISAKHI

Baisakhi is a vibrant and colorful festival that marks the beginning of the Sikh New Year and the harvest season. At St. Xavier's, the festival was celebrated by explaining its significance through modules and discussions. The students enjoyed making kite crafts and dancing to Punjabi beats in their respective classes. The festival ended with captivating smiles on the faces of the children.

*Storytelling is the most powerful way to put ideas into the world.*

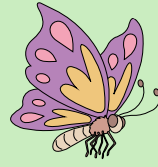

‘Stories play a vital role in the growth and development of our children. During the adaptation week, our young learners were captivated by narratives like "The Walking Tree" and "Saath Puch ka Chuha". The teachers made these sessions particularly engaging by using puppets and props. The children enjoyed the stories as much as we enjoyed presenting them, employing perfect voice modulation and intonation to bring the tales to life.

# It's story TIME

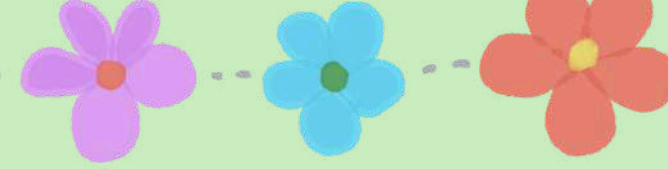

# Earth Day

“NURTURE THE NATURE”

**On Earth Day, our school community came together to honor our planet with a creative and eco-friendly initiative: making paper bags. This hands-on activity not only highlighted the importance of reducing plastic waste but also encouraged us to think about sustainable alternatives in our daily lives. Additionally, a module on Earth Day was presented in class.**

# MOTHERS DAY

Mother's Day is a unique day devoted to praising and commemorating the extraordinary "Wonder Women" in our lives. Embracing the most essential person in our lives and honoring them with a grand celebration was the essence of our Mother's Day event. The day began with a special assembly, setting a festive tone for the celebrations. This was followed by a takeaway craft session in the classrooms, where students used colors and participated in thumb-printing activities to create artistic bookmarks. This hands-on activity not only enhanced their creativity but also provided a meaningful way for the students to show appreciation for their mothers.

Happy Mother's Day!

# MOTHERS DAY

# Labour's Day

"Labour Day is celebrated to recognize the efforts of labourers. To instill the values of respect and empathy among the little Xaverians, they were asked to bring any food item to distribute to the housekeeping staff in the school. They also showed their gratitude towards class helpers by cleaning their chairs and tables themselves on that day. The celebration ended with a special assembly, where everyone was spellbound by the Nukkad Natak and dance performances by Grade 1.

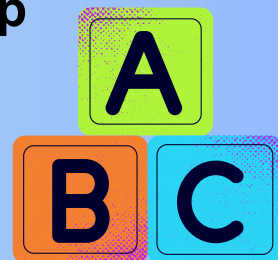

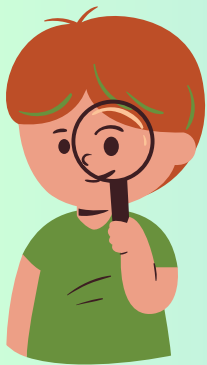

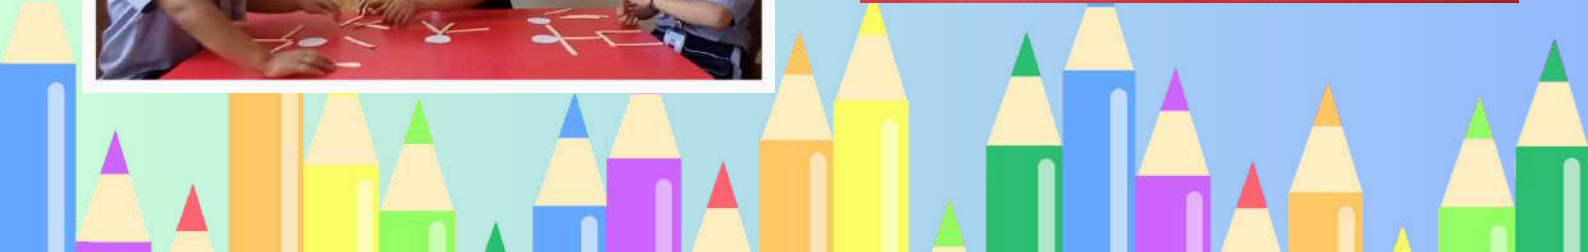

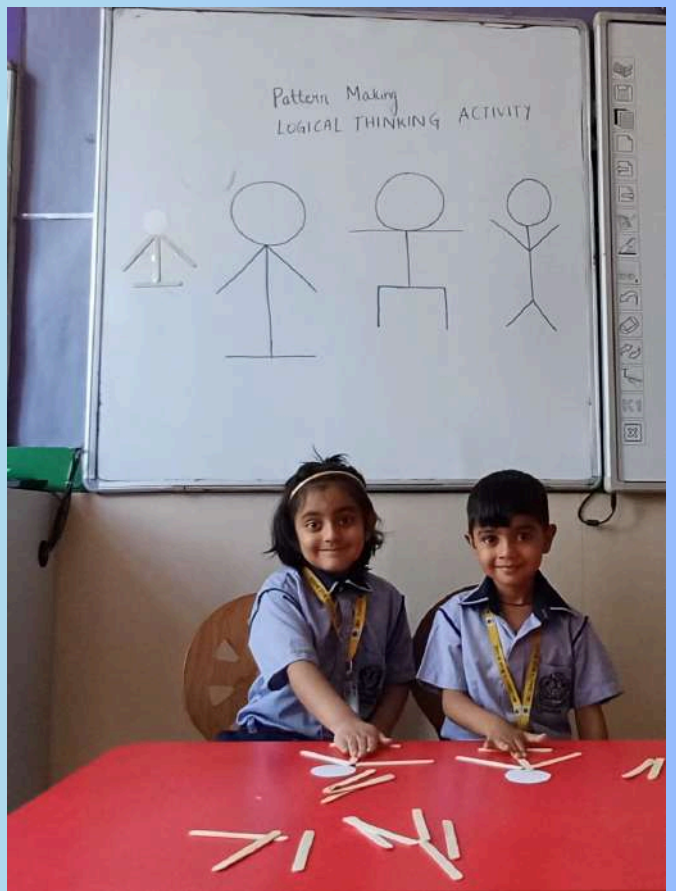

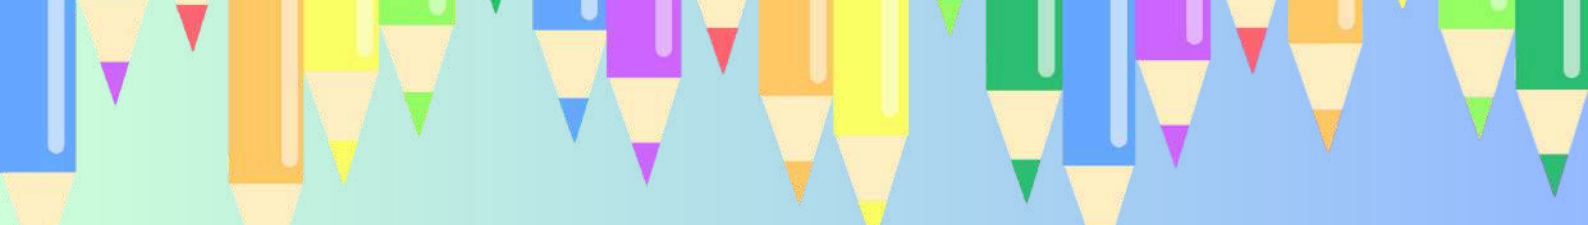

# SUBJECT ENRICHMENT

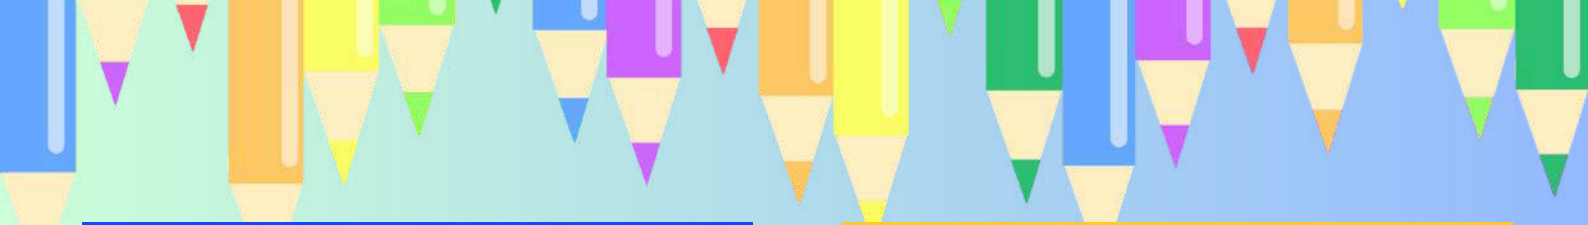

Activities that are designed to enhance and deepen students' understanding and engagement with specific subjects are called Subject Enrichment Activities. These activities promote critical thinking and problem solving skills, improves student's ability to concentrate, and make learning more meaningful, valuable, and rewarding. This quarter the KG children delved into many of such activities to learn various topics. In Hindi, children learnt the formation of 'Vyanjans' using different paints. These beautiful pieces were called rainbow 'Vyanjans'. To learn about topic 'emotions', a part of Cognitive Learning, children were given potter's clay to make expressions. While in Math children made various shapes using ice-cream sticks, in English they circled vowels in their own name stickers. Incorporating subject enrichment activities into our classroom routine help maintain and boost creative thinking.

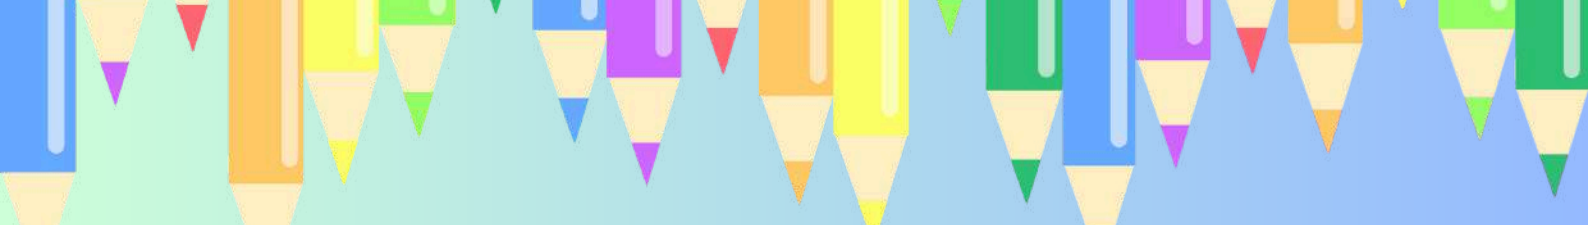

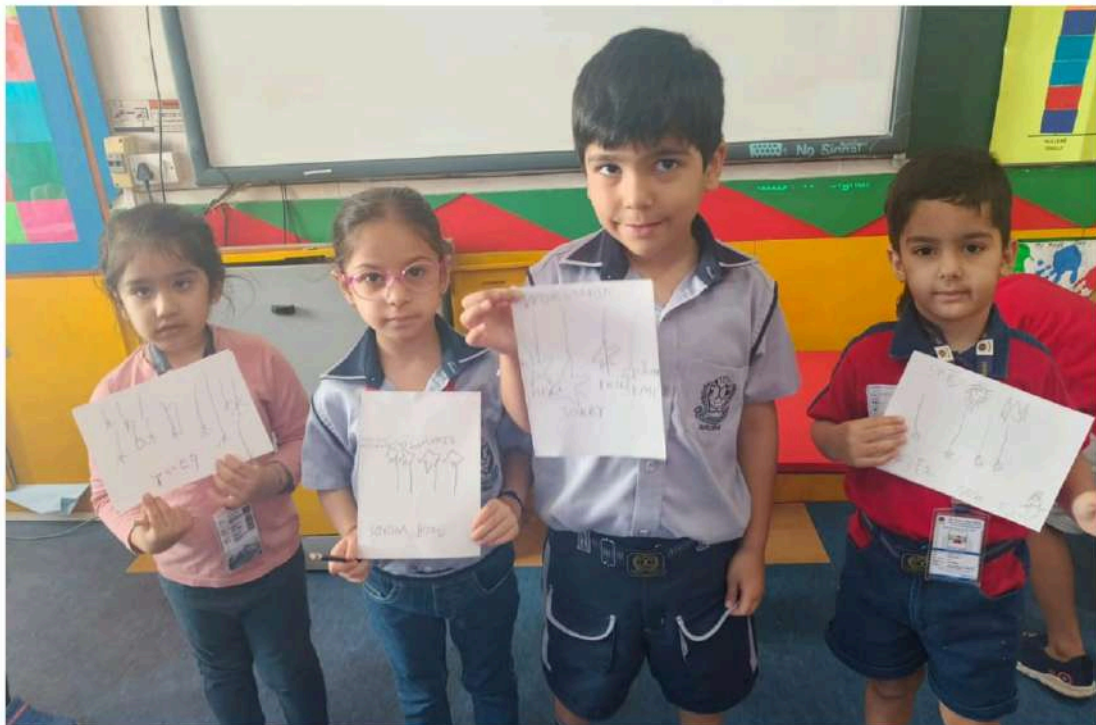

Our three-day Pre-Primary Kids' Camp Little Academia was a resounding success, with 405 young campers embracing every activity with enthusiasm. Mornings started with energizing Cosmic Yoga and Zumba sessions. The kids enjoyed gymnastics, fun games, splashes in the pool, skating, and creative STEAM activities.

Captivating tales from Kathashaala, brain-boosting games, delicious meals shared amidst laughter, and enriching activities like English Nut Adventures, Shloka Chanting, and Personality Development added to the fun. Music and Harmony Trails brought soulful melodies, enriching the experience further.

We thank our incredible campers and their families for the joy, laughter, and friendship they brought to our camp.
