Embracing Wisdom, Igniting Futures: GRADE 1

Dear Parents,  
Greetings!

We are delighted to present another edition of the Pre-Primary Wing Newsletter for the second quarter of the session 2024-25 post-summer break which marks a significant period of transition for our young learners. Students have returned with enhanced fine and gross motor skills, likely reinforced by active summer experiences, showing growth in essential academic skills, including reading and learning. Along with improved focus and adaptability, they have exhibited stronger interpersonal skills and empathy, positively affecting classroom dynamics and peer interactions. With increased self-regulation, confidence, and independence their Emotional growth is also quite evident. Our targeted review sessions and supportive classroom environment are consistently helping our learners to bridge the learning retention challenges. Overall, our Grade 1 learners have shown a promising start, with the growth they need to thrive this year.

We recognize that this growth is supported by your encouragement at home, and we deeply appreciate the role you play in their development. Your involvement is invaluable, and together we're creating a nurturing environment for your child's success this year.

We hope you enjoy a glimpse into your child's journey and growth at school through this newsletter!

Warm regards,  
Director Principal

# HIGHLIGHTS

# श्री कृष्ण जन्माष्टमी

St. Xavier's High School celebrated Janmashtami with great enthusiasm and devotion. The event began with a special assembly, where teachers narrated stories from Lord Krishna's life through their dance performances. To celebrate the birth of Lord Krishna, students dressed as little Krishnas and Radhas. Their graceful movements and joyful energy on devotional songs filled the air with festivity. The highlight of the day was symbolic to the 'dahi handi' tradition. Grade 1 students worked together for Matki decoration activity with vibrant colours and cotton. It was a day full of fun, devotion, and cultural learning for the students.

# HAPPY Independence Day

The school celebrated Independence Day with great pride and patriotic fervor. The event began with the hoisting of the National flag, followed by the singing of the National Anthem, which filled everyone with a sense of unity and national pride. Students presented patriotic speeches and poems, reflecting on the sacrifices made by our freedom fighters and the significance of the day. The highlight of the day was the Colouring Activity. Children were given paper caps and they were encouraged to colour them using saffron, white, and green tricolours. The activity was a fun way to engage the young learners in the spirit of Independence Day while enhancing their creativity. Various cultural performances, including traditional dances and songs showcase India's diverse heritage and encourage students to honour the values of freedom and responsibility. It was a memorable day, filled with a deep sense of patriotism and pride in being part of this great nation.

# MANGO DAY

The school celebrated Mango Day with great enthusiasm, dedicating the day to everyone's favourite summer fruit - the mango! The event aimed to educate students about the importance of fruits as a healthy diet, while adding a fun twist to their learning. Students of Grade 1 showcased their culinary skills with the Mango Salsa Activity, where students teamed up to prepare fresh mango salsa. The chopped juicy mangoes, along with other ingredients like tomatoes, onions, and herbs, created a colourful and tasty dish. The activity was both engaging and educational, teaching students about healthy food choices. The celebrations concluded with students participating in various mango-themed art and craft activities. It left everyone with sweet memories of the beloved summer fruit.

# van mahotsav

**Van Mahotsav, an event dedicated to the conservation of forests, was celebrated with great enthusiasm in ST. Xavier's High School. The event aimed to spread awareness about the importance of trees and protecting the environment. The day started with a special assembly where students spoke about the significance of planting trees and the role of forests in maintaining ecological balance. A Poster-Making Activity was organized for students of Grade I with themes like "Save Trees, Save Earth" and "Green Earth, Clean Earth." Their creativity was on full display as they used colours, slogans, and drawings to express the importance of afforestation and environmental conservation. Students planted saplings in the school premises, contributing to a greener environment. The event concluded with a pledge taken by students and teachers to protect nature and actively participate in tree-planting initiatives. The Van Mahotsav celebration not only helped students understand the significance of trees but also encouraged them to take small steps towards a sustainable future.**

# Show and Tell

***A Show and Tell Competition was conducted for Grade I students on the topic “Save Marine Life”, to spark the curiosity about the underwater world. The young learners came prepared with informative and creative presentations about various marine creatures, such as dolphins, jellyfish, sharks, and turtles and their life under the water. Each student showcased colourful props and pictures of aquatic animals and shared interesting facts about their habitats and the dangerous impact of human actions on these marine life creatures. Such competitions encourage public speaking skills, boost their confidence and help learners gain awareness about marine conservation and the importance of protecting ocean life. These competitions provide an educational experience for the young learners, fostering a love for nature, and highlighting the wonders of marine life.***
