

ST. THOMAS' SCHOOL
— DWARKA —

*(An extension of St. Thomas' School,
Mandir Marg, New Delhi)*

ROSHNI

Annual School Magazine
2019-20

Ms Divya Gautam
(Manager)

“Education is not the learning of facts, but the training of the mind to think.”

St. Thomas’ School, Dwarka is one of those notable educational institution where every stakeholder is a learner and every day is an opportunity to learn and discover. We identify ourselves as a community of learners, where everyone learns including our students, teachers, parents and staff. We believe in providing multifaceted atmosphere to our students ensuring holistic development, where children are encouraged to channelize their potential in the pursuit of excellence.

The school is striving hard to make the best possible efforts to inculcate strong values combined with academics and extra-curricular activities in students. We know that the outcomes achieved by our students and the highly successful pathways they follow; reflect the excellent education they experience at our school.

At our school, students are encouraged to dream, groomed to give wings to their dreams, take off and explore the unexplored. We look forward to steer the wheel of excellence and continual progress ideal for the meaningful blossoming of young minds. This edition of the school magazine- 'Roshni' is a milestone that marks our growth, unfolds our imagination, reverberates our quest for excellence and gives life to our thoughts and aspirations.

Wishing all around good luck!!!

Ms Meneka I. Singh
(Head of School)

“Imagination is more important than knowledge. For knowledge is limited, whereas imagination embraces the entire world, stimulating progress, giving birth to evolution”.

At St. Thomas’ School, Dwarka, we believe that education is a lifelong exercise that can be unbelievably exciting if only, we create a passionate schooling experience recognized for its warmth, energy and excellence as it’s rightly said, ‘Only a potter knows how well each grain of his clay will blend and knows which strokes to place on the wet clay to transform it into a vessel worth using.’

As a 21st century institution, we desire to set an approach to learning that incorporates inquiry, research, analytical thinking and an ethical approach that becomes a lifetime habit. We believe, “It is not the will to win, but the will to prepare to win that makes the difference”. The greatest responsibility therefore, is entrusted upon us to chisel the talents of the young minds.

We foster a positive spirit and believe in partnership between students, parents, teachers and support staff striving to create a milieu that sustains excellence. Our distinction lies in the pursuit of high academic attainment through support, encouragement, praise and motivation.

There are only two lasting bequests that we can hope to give our children; one of those is roots; the other, wings! At St. Thomas’ School, Dwarka, each day that unfolds, is a wonder and a miracle and we enjoy this journey with our children, reliving and rediscovering the magic of learning!

So, “Let us together, ignite that unique spark in them. Let us together, give wings to their imagination. Let us together, affirm their landings, and strengthen their grounds. And let us together bring up absolute humans.”

I would like to thank all the parents who have faith in our institution and the ideals it stands for.

Let me assure you that your loved ones are in safe hands. I am confident that Thomasites will make themselves stronger with each passing day, adding a new leaf to the grandeur of their alma mater.

My best wishes to all readers!!!

FROM THE EDITOR'S DESK

“Focus on the journey, not the destination. Joy is found not in finishing an activity but in doing it.”

It gives us immense joy and satisfaction to finally present the much-coveted edition of our much-appreciated school magazine, 'Roshni' which indeed is an exhilarating flashback of invigorating events and laudable achievements of the academic year 2019-20.

'Roshni' truly espouses the school spirit which is built up within the school through the collective actions, corroborated achievements, towering thoughts and soaring aspirations ultimately resulting in spurring higher growth and enterprise in our students through myriad activities and events organised throughout the year ranging from inter school and inter house competitions, special assemblies, excursions, seminars, field trips, workshops and the thrill goes on.

We are sure that the sweet reminisces of all the dedication, determination and diligence exhibited by our students will replenish the hearts of our readers with pride. We also hope this magazine will enjoy your critical acclaim and prove itself to play a vital role in the all-round development of the children.

We are creating a future full of optimism and enthusiasm, a future where every endeavour will succeed and ineptitude and disillusionment will be something of the past. We invite all the readers to read and immerse themselves in the unfolding art and be exulted.

Wish you all a Happy Reading!!!

Head Boy Speaks...

Harshit Juneja

“The difference between school and life? In school, you’re taught a lesson and then given a test. In life, you’re given a test that teaches you a lesson.”

It is always hard work that gives you results; talent and interest are mere stairs that take you towards the start of your journey of success. School is not just a building; it is a haven where perfection is created with enormous zest.

St. Thomas’ School, Dwarka has provided me a platform where I could learn the importance of hard work, perseverance, determination, sincerity and teamwork. It has broadened my horizons and has made me capable of what I am today. Being the head boy, the school has entrusted great responsibilities on me that made me very disciplined and gave me an impetus to work with great zeal in future too. I extend my sincere thanks and gratitude to my teachers for their kind support.

Head Girl Speaks...

Niyati Dang

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.”

“Being a part of St. Thomas’ School, Dwarka for its long years, I can assure you that this is one of the best institutions that one can be a part of. I feel myself very honored and privileged to be the Head Girl of this great institution.”

It has been a wonderful journey in this school. Though every year spent here is special for me and has brought me closer to my school, but this year holds a special place in my life. I have been entrusted with an array of responsibilities. I am grateful to all who found me capable enough to hold this post of prestige. The school has always given us opportunities to find our true selves and nurture our talents by displaying them.

Sports Captain Speaks...

Jorryn Baptista

Sports don’t build a character, they reveal it... “It matters absolutely who wins the game, and not at all who won the game”.

Throughout my time here at St. Thomas’ School, Dwarka I have enjoyed getting involved in a range of activities the school has to offer. I feel honored and lucky to have been chosen to be the sports captain.

I firmly believe that when you are indulged into something, you give your best effort. It matters that you try your best in that moment and do all that you can. But after the game – the result doesn’t matter at all. Every new experience adds to life’s lessons and you should not lose yourself to it and worrying about what happened.

For me this is something that works in life just as well as sport. Do everything that you can to be successful in the things that matter to you. I thank this school from the bottom of my heart to help me realize my true potential.

ISA Award

Our school is a proud recipient of the coveted ISA - International School Award for fostering an international ethos throughout the school and embedding it within the curriculum. A proud moment for the school as it got global accreditation for three years from British Council, recognizing the school for its creative endeavors, community participation and innovation. These awards, along with praises and words of appreciation, from eminent personalities and organizations motivate us to do even better consistently for the overall development of our students.

INTERNATIONAL SCHOOL AWARDS

INDIA | MAY 2019

Indian School Merit Awards 2019

“Holistic Development”

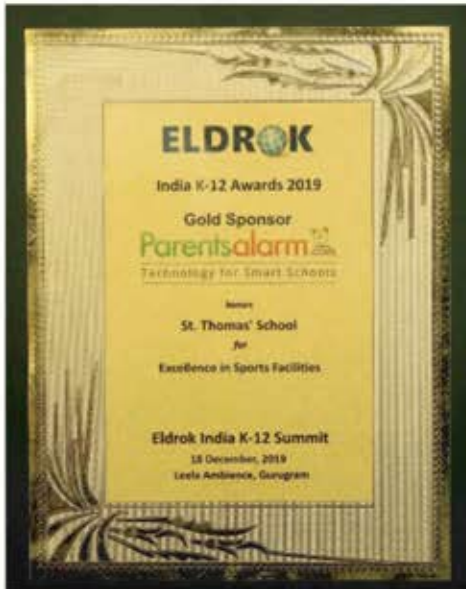

Another momentous achievement for the school as it was ranked the No.1 School in India under the top CBSE School for “Holistic Development” in a survey conducted by Education Today as part of the Indian School Merit Awards, 2019. These awards are based on Jury Rating, Parents votes and Education Today Team Analysis (Perception based, Survey and Nomination based). The award was received by the Head of School, Ms. Meneka I. Singh whose skilled leadership, dreams for a sustainable and responsible tomorrow, dedicated efforts of the teachers and staff along with continuous trust of the parents made it possible. A great moment of pride and honour for the school!

Eldrok India K-12 Summit-2019

“Excellence in Sports Facilities”

The school has always made relentless effort towards academics and co-curricular activities. Our initiative for the holistic growth of the students has been applauded over the past year and we are honoured to have received the “Excellence in Sports Facilities” at Eldrok India K-12 Summit – 2019. This honour is a testament towards recognizing the school’s efforts to provide excellent sports facilities to its students and incorporating sports as an integral part of the school’s curriculum. Indeed, an exhilarating moment for the entire STS family!

NPSC

National Progressive Schools' Conference

With great pride, we announce that our School has been admitted as a member of National Progressive Schools' Conference (N.P.S.C.), which has been involved in a variety of path-breaking initiatives and policy-related issues. N.P.S.C. is known for its collaborative work in teaching learning practices, policy making, scholastic and co-scholastic initiatives and reforms in education. The members of the N.P.S.C. work in collaboration with Government and focuses on nurturing a system of education that respects diversity whilst promoting equity. It has been a pioneer in devising an inclusive curriculum that develops the innate skills of students even as they pursue academic excellence. We are indeed honoured to collaborate with this association and work towards the development and progress of our education system.

BOARD RESULT

CLASS X

Congratulations!

"A dream does not become reality through magic; it takes the perfect amalgamation of hard work, determination and persistence."

A moment of glory and celebration!!! Heartiest Congratulations to our meritorious students of Classes X and XII for the outstanding board results 2019-20.

Our students got a golden opportunity to extend season's greetings to Hon'ble Chief Minister of Delhi, Sh. Arvind Kejriwal. The brief interaction of students with Kejriwal Sir was full of motivation and inspiration. He too extended his blessings to students and wished them all the best for their future goals.

It was indeed a moment of pride and honour to meet most respected Arvind Kejriwal as we believe that the feeling of honour we get when we meet a man who has been to incredible places, knows forbidden things and has the power to shape your life; is of thrilling prominence.

Visit to Hon'ble Chief Minister Sh. Arvind Kejriwal's Office

Community Services

*'Kindness in words create confidence;
Kindness in thinking creates profoundness;
Kindness in giving creates love.'*

In its continuous endeavour to enrich students with unforgettable life experiences and to sensitize them about their duties towards the weaker and lesser fortunate sections of the society- 'Share and care drive', a philanthropic initiative of the school, was organized. Under the drive, students of classes IV- XII paid a visit to an orphanage (Don Bosco Ashalayam) and an old age home (Prem Dham Ashram). It was a delight to see our young students sing, pray and be generous with the children of orphanage and spend some quality time with the senior citizens as well. With the aim to further promote community services, the school provided an opportunity to the students as they joined hands with 'Masoom Duniya' – an NGO in Dwarka working for specially-abled children for a plantation drive.

Zonal Achievements

Spectacular achievement is always preceded by spectacular preparation.

Congratulations to our super zonal achievers for their dedication, hard work, unremitting devotion and solemn resolve to take their school towards higher echelons.

Our school is committed towards social and national responsibilities; bearing this in mind we have raised the NCC Army wing of 3 Delhi Girls Battalion in our school for the girls to ensure their holistic development. The NCC programme provides a kaleidoscope of opportunities to the cadets by way of conducting annual training camps, strenuous drill practices, personality development and voluntary service programmes etc.

Cadets participated in multifarious learning activities with an unquenchable spirit including All-India Girls Trekking Expedition, Ajmer, Combined Annual training camp, Swachh Bharat mission, International Yoga Day and several philanthropic activities including Share and Care drive.

Dance Mania

St Thomas' School, Dwarka hosted the Times NIE - Dance Mania, 2019-20 in its premises. Breaking away from the mundane patterns, attuning themselves with the musical instruments, expressing desires and connecting with the audience heart to heart, more than 40 schools from Delhi-NCR participated in the event.

The aim to uphold this show was to foster the varied talents and skills of students and also to help them interact with the eminent personalities from the field of dance. The highlight of the event was the splendid performances by the host school teachers and The DanceworX Academy.

St. Thomas' School, Dwarka was adjudged the "Best Team" and lifted the winning trophy with much pride and excitement.

"Everything in the universe has RHYTHM Everything Dances."

-Maya Angelou

MATH-O-MANIA

"Mathematics is not about numbers, equations, computations, or algorithms: it is about understanding." -William Paul Thurston

The students of classes IV to X, under the guidance of their teachers, organised a Mathematics fair "Math-O-Mania - the world from the Mathematical view point" The two day event was declared open by the respected Head of School on 2nd August 2019. Math-O-Mania, was a huge success as it lived upto its ideology of giving the students an opportunity to learn as well as implement ideas and to facilitate better understanding of Mathematical concepts.

"Without Mathematics, There's Nothing You Can Do. Everything Around You Is Mathematics. Everything Around You Is Numbers."

-Shakuntala Devi

**"The only way to learn
Mathematics is to do Mathematics."
– Paul Halmos**

kalakari

An Art Exhibition Beyond Imagination

Kalakari in true sense was displayed by the students and teachers in the form of an enthralling art exhibition. The objective of the event was to encourage, nurture and showcase every child's natural creative flair and provide a platform to the students to explore the extent of their imagination and express themselves without any fear. The enigmatic exhibits attracted many visitors from different walks of life including intrigued parents who appreciated the efforts of the teachers and students.

CLASH OF TITANS 2.0

INTER SCHOOL DEBATE FEST
2019-2020

ARTIFICIAL INTELLIGENCE

With an aim to promote proficiency in articulation of thought and public speaking among students, our school hosted the second season of "Clash of Titans 2.0"-An Inter School Debate Fest 2019-20. The three-day event witnessed the participation of students from 20 prestigious schools. Day- 1 was for classes IV - V where the students exhibited immense confidence and oratory skills as they spoke eloquently on the topic- 'Artificial Intelligence-Boon or Bane'. The teams got an overwhelming response from the eminent judges. Day 2 aimed at giving impetus to the bright and vivacious students of classes VI-VIII. The contestants captivated the audience with their brainstorming argument on Artificial Intelligence - 'A Possible Threat to Human Employment'. The teams received applause and appreciation from the judges. On Day-3, the students of classes IX- XII debated on the topic -'Humanity should fear advances in artificial intelligence'. The speakers' eloquent arguments displaying tremendous firepower, well supported by facts and reasons awed the audience and the judges.

Congratulations to the winners for this laudable achievement!

For good ideas and true innovation, you need human interaction, conflict, argument and debate.
-Margaret Heffernan

STSMUN

Model United Nations Conference 2019

MUN Chief Advisor, Director General, Secretary General & MUN Coordinator with Head of School

"If you speak, you can influence, If you can influence, you can change lives."

After having a series of salubrious Intra MUNs, we ventured into its inaugural edition of STS Inter School MUN 2019 which coincided with the UN Week. Zeal was in the air on 23rd & 24th October 2019 and excitement was seen on the faces of all the 370 delegates who were dressed immaculately and were enthralled to be a part of a platform for debating international issues along with drafting resolutions to combat global issues. After two days of intense debate, deliberation and negotiation, the gala event came to end with some delegates walking away with awards, acknowledgements, high commendations and special mentions. The sincere efforts put in by all the delegates involved, made the conference a resounding success.

INVESTITURE CEREMONY

“Leadership is the capacity to translate vision into reality and leaders are not born but are made by their experiences in life”. The school heralded yet another legacy by organizing Investiture Ceremony 2019-2020 for both Primary and Senior wing to induct and introduce the newly elected prefectorial board. This ceremony signified the reliance and confidence that the school consigned in the new office bearers. The ordinance commenced with the propitious lamp lighting ceremony and the mesmerizing school choir followed by the respected dignitaries presenting the young leaders with sash, badges and roll of honours. The badging ceremony was followed by words of inspiration from our Head of School who rightly taught them the true meaning of leadership and exhorted them to uphold the values of their alma mater.

“Vasudha” The Eco Club

Saving the environment is a collective and continuous process. 'Vasudha-The Eco Club' focuses on the formidable challenges of environmental degradation and climate change that are confronting human civilization. The Green ambassadors of the club became powerful proponents of environment conservation through myriad of Eco-Club programmes and activities specifically aimed at creating a cleaner and greener planet. To increase the green cover, plantation drives were organized on 'Earth Day' and 'Van Mahotsav Week'.

A Nature Trail to Yamuna Biodiversity Park was organized by the club where the students got a wonderful opportunity to connect and interact with nature.

An anti-cracker rally was conducted with the prime motive to celebrate an eco-friendly and pollution free Diwali. The Eco Club will continue in its endeavor to respect, nourish and revere this much cherished planet and make it proud with every breath, every word and every step we take to protect it.

Clean Yamuna Campaign

'A man is but the product of his thoughts; what he thinks, he becomes.' - Mahatma Gandhi

Students of classes IX and X participated in the "Clean Yamuna" campaign - a government initiative to contribute towards clean India and display their commitment to uphold it. A rally, highlighting the importance of cleanliness and plastic free campus too was carried out in the school premises.

The day ended with a thought in everybody's mind that cleanliness is next to godliness and service to mankind is the first step towards reaching it.

Excursions, Picnics and Visits

*"A mind that is stretched by a new experience
can never go back to its old dimensions."*

Educational tours offer rich opportunity to the participants that can facilitate their learning in a tremendous manner. St. Thomas' School, Dwarka believes in providing exposure to its students from time to time, to nurture and broaden their horizons, as such exposures help the students in witnessing new experiences.

Trip to *Bhimtal & Jim Corbett* Classes XI & XII

The school organized an educational cum adventurous trip to the Mountain Quail Mussoorie for the students of classes IV-X. A great escape from the hustle and bustle of the city life, the students enjoyed in the lap of nature and explored their adventurous side through various camp activities like rappelling, stream runner, raft building, tent pitching, trekking etc. The three nights-four days trip to the 'Queen of the hills' offered super abundance of attractions to visit and the place mesmerized the students with its phantasmagoric and fabulous landscapes. The trip was not just packed with loads of fun and excitement but also enriched the students with the virtues of team building, time management and self-confidence. Making memories for a lifetime with their friends, the students returned back feeling revived, rejuvenated with boundless appreciation for 'Mother Nature'.

“Be the change you want to see in the world.”

Our supremely talented prodigies added a feather to their cap yet again. This time, Thomasites bagged the first position in the street play on Women Empowerment (Stree Sashaktikaran) in the talent hunt organized by ATMABODH, an NGO working for the cause and awareness of legal rights, legal empowerment and cultural heritage.

Out of eight participating schools in Adoyopant Legal Awareness Inter-School Street Play Competition was held on 27th April 2019 in the Central Park, Connaught Place, New Delhi, our students came out with flying colours with their power-packed performance. For some students, it was a new venture, and, in their words, “We got to know about legal rights the way we never did before. We believe, the real victory lay in the acquisition of knowledge and the embodiment of thought.

Atmabodh

SPORTS FELICITATION

“Winners are the ones willing to go longer, work harder, and give more than anyone else.”

Our school observed the much-awaited Sports Felicitation Ceremony (2019-20) for the marvel young achievers, who reached the top rung of the ladder by their sheer dedication and hard work in the field of sports. They were given due recognition and felicitated with cheques and certificates. These students excelled in different disciplines of sports at National level and have showcased their astounding sporting prowess across the country. Thomasites who are ready to take the world of sports by storm also received certificates for their stupendous performance in various games played across the city.

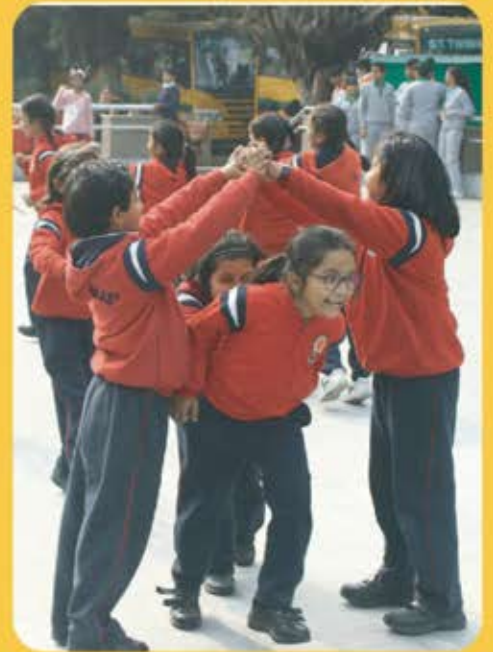

A momentous day for the school, as marvel achievers in sports were given due recognition and felicitated on 26th July 2019 at the Sports Felicitation Ceremony. These students showcased their sporting prowess and excelled in different disciplines of sports both at national and international levels. The guest of honour Mr. G. Sathiyam, winner of Arjuna Award, 2018 amplified the significance of the occasion with his gracious presence and honoured the young achievers with trophies. In his inspiring speech, he encouraged and motivated the students to make sports an integral part of their lives. It was indeed the time to cheer, to shine, to inspire and to be inspired!!

FITNESS WEEK

To underpin the significance of robustness and vigour, our honorable Prime Minister, Sh. Narendra Modi launched the revolutionary 'Fit India Movement'. To take this mission forward, the 'Fitness Week' was celebrated in the school premises from 27th November 2019 to 3rd December 2019. The School was awarded a Digital Certificate after the successful conduct of the event. The event culminated with a multitude of indigenous games from different states of India, an array of activities and workshops. The week was a perfect blend of physical activities where the zeal and zest exuded by the students paved a path towards a fitter India.

HUNAR

An Inter-School Sports Odyssey-3.0

To catalyse Prime Minister Narendra Modi's Fit India Movement forward, third edition of our annual month-long sports event 'Hunar 3.0 -An Inter School Sports Odyssey' was organised. The event witnessed an overwhelming response of 1100 participants from 32 prestigious schools participating from Delhi-NCR in its third year of inception. 'Hunar 3.0' provided a unique and exciting opportunity to students to display their sports prowess in five disciplines-Cricket, Football, Table Tennis, Skating and Lawn Tennis. The winning Trophy was lifted by Indraprastha School, Paschim Vihar, at a grand closing ceremony which marked a successful end to another spectacular chapter of 'Hunar Sports Odyssey'.

Overall Winner Trophy : Indraprastha World School, Paschim Vihar

Candle Light CEREMONY

“Just as one candle lights another and can light thousands of other candles, so one heart illuminates another heart and can illuminate thousands of other hearts.”-Leo Tolstoy

The School showered blessings and bid luck and fortune to the batch of 2019-20 in form of “candlelight ceremony”. The light of candles symbolizes hope in this sombre world, its shine uplifts the soul and creates consciousness. The emotional and solemn ceremony was marked by the passing on of lit candles from class XII to class XI amidst the crooning of school song; emphasizing the allocation of responsibilities from seniors to juniors. The event was graced by the presence of Rev. Jolly Raj (Reverend from Bethal Methodist Church, Noida) who prayed for the students and blessed them for their future endeavours. The former Head Boy and Head Girl delivered emotional speeches to sum up their school life. The Head of School also inspired the students via her speech. The event concluded with the vote of thanks proposed by the former cultural captain.

Farewell

“The grace of the Lord Jesus Christ and the love of God and the fellowship of the Holy Spirit be with you all.” (2 Corinthians 13:14)

St. Thomas' School, Dwarka bid adieu to the batch of class XII (2019-20) in a splendid ceremony. The celebration was made outstanding by the stupendous performances of class XI. The audience could feel the oozing love of the juniors for their seniors. The day witnessed unforgettable experiences. The stage was set on vibration by the energetic ramp walk of the outgoing batch. Amongst the vibrant faces, Rannie Singh (XII-A) was crowned Ms St. Thomas' and Aamod Kulkarni (XII-D) won the title of Mr St. Thomas'.

Art exhibition organised by Dwarka school depicts culture through art

Art department teachers with the students

Kalaskart, an art exhibition, was organised by St. Thomas, Dwarka. The collection, taking inspiration from the 12th century to the 21st century, blended pieces of still life with line art, emphasising art forms through an array of colours and textures. Inanimate objects sprang to life, reflecting the inclination of students towards creative art. Mosaic pieces were made with glass and coloured stones, while non-drying oil and wax binders conigned up enigmatic oil panels. Abstracts, defining modern art, adorned the walls. Trained to be ecological, children used corbeal and button crafts to construct balloons and parachutes, while

paper crumbling art was used to create 3D objects, which also added their hand-eye coordination. Folk and tribal art, including Gond painting and block printing, was also presented by the students. They laid emphasis on table settings, too, through precise arrangements of tableware across cultures and their history. This included Italian and Japanese lapsets. Parents and other visitors appreciated the work put in by the students to curate the exhibition.

>> The exhibition included mosaic pieces, still life, line art and tribal and folk art, among other things

Putting forth clear stances

St Thomas' School, Dwarka hosted 'Clash of Titans 2.0, an Inter school Debate Fest'. The debate aimed at honing public speaking skills of the students and teaching them to articulate while expressing their thoughts and opinions.

The theme of the debate was 'Artificial Intelligence'. There were three categories; Junior (IV-V), middle (VI-VIII) and seniors (IX-XII). The students of junior classes debated on the topic 'Artificial Intelligence - Boon or Bane', middle debated on Artificial Intelligence - A Possible Threat to Em-

ployment' and seniors debated on 'Humanity should fear advances in Artificial Intelligence'.

Around 20 schools from all over Delhi participated. The highlight of day third was the question-answer round where a volley of questions was posed by interjectors and were answered by speakers. The session was a kaleidoscope of opinions, thoughts, ideas and perspectives that definitely enhanced the knowledge of the students. The host school had a non-competitive entry. Adarsh Public school, Vikaspuri held aloft the winning trophy.

St Thomas' School, Dwarka celebrated the investiture of its new student council and the occasion commenced with the lamp lighting ceremony by the dignitaries of the school. A prayer showered blessings on the gathering and this was followed by the investiture comprising an election of the House Mistresses and the knighting and coronation of the school senate. The students were conferred with badges and bestowed appointment letters for their new positions. The leaders pledged their oath to discharge their duties and carry out their responsibilities to the best of their abilities,

to take their school to greater heights and prove themselves worthy of the trust reposed in them. The newly elected student council was then felicitated by the school Head Meneka I Singh and enlightened with her wise words. The speeches of the Head boy and the Head Girl spoke volumes of the hidden sentiments of gratitude. The young leaders swore to make their school and nation proud and stood up for the national anthem.

Students' Corner

RAIN

It comes and goes when time rings about,
Sometimes it knocks at times uncalled for leaving me in doubt,

And that's my favorite shout out.

It's always been the only thing looking out for me,
Pouring on me heavier than my contemptible feelings.

It's the only thing that embraces me in the cold and dark,
Only one that heals my scars and marks.

Little by little it cleanse my soul,
Slowly drop by drop it filled my heart's deepest hole.

It taunts me with the thunder and lightning when I'm trapped inside,

It calls my name when I'm gone in the darkest of nights.

It helps me hide my tears under it's soft pouring shower,

It cheers me up and washes all my sins away like it does to a flower.

It reaches out to me with its pure hands when I can't,

It caresses my hair gently everytime it falls as if asking me to let go.

It promised me relief in return to wish for its arrival when everyone else rather asks it to go.

I promised it my true love, irreplaceable and unchangeable for a long way to go.

Importance of Humour in life

"Laughter is the best medicine" is a saying which is popular with almost all of us.

Laughter is a great healer and one of the most positive and rejuvenating human emotions. Not only it strengthens our immune system, it releases beneficial hormones that refresh and revitalize us, calm our nerves, reduce tension and stimulate creativity. All of us enjoy having a good laugh and being with the people who makes us laugh. Certainly, some of the most enjoyable people to be around are those who have an ability to see the funny side of things and who can also laugh at themselves.

Laughter and humour bring a lot of joy in our lives and can make the lives of others also joyful.

Humour is the most important and effective ingredient to spice up the dish of life! It is the tool that we can use to face with the hardest times in our lives and to appreciate some of the most understanding things. When you have a good sense of humour and don't take yourself too seriously, you become more attractive to others. This can help you to develop more and stronger friendships. The more you embrace yourself, the more enjoyable your life will become. Humour which puts some-

one down or is divisive is not a charitable way of behaving. Most of us strive very hard to sulk and brood and contaminate the environment with negativity rather than smile, laugh and spread happiness and positivity. Even the most difficult situations can be handled with ease if we have a humorous mind. Once we know how to see little things through humour, we get a marvelous opportunity to know that our life is not that bad! So, cheer up one and all, and spice up the lives of each other with a touch of humour.

SAUMYA GUPTA, XI, St Thomas' School, Dwarka

St Thomas' School, Dwarka celebrated Earth Day to take a pledge to make a lifestyle transformation. The theme for the Earth Day was national capital's ever-rising pollution. The event was marked by the head of school Meneka I Singh inaugurating the school's herbal garden (Ayurvatika), an initiative taken by the students of class IX, is a garden where a variety of medicinal plants have been cultured, using recycled earthen pots and coconut shells. Activities like Earth Day Paper Crown, Inter-class action song competition on Earth were organised for the students of primary wing. The students

also prepared a project on 'Waste Management'.

Classes IV and V participated in a 'Talk Show' with Dr Nameet Kaur, scientific associate at Indo French Centre for the promotion of Advanced Research and performed a skit on 'Waste Segregation'. Class VI abided by their theme 'Green Walk' for a fashion show. The students of class VII made Herbal First-Aid Kits. The students put their heads together to design pamphlets on fuel conservation and distribute questionnaires at the petrol pump. Children participated in a painting competition. The motto of the school was to hold together the environment from splitting apart.
