

## COFFEE MORNING SESSION -PARENTS OF STUDENTS OF DETERMINATION Grade 2 - Grade 12 (7.5.2024)

**INTENT:** The intent was to introduce the Inclusion support team, explained department protocols and the support provided to the students of determination. To reiterate the importance of early intervention and strategies to deal with challenging behaviour of students of determination.

**EXPERIENCE:** The inclusion team educated the parents about the process flow that the Inclusion team follows. Created awareness about the importance of early intervention and equipped the parents with strategies with challenging behaviours. We ended the session with question answer session where parents post their questions and shared their experiences.

**INSIGHT:** Parents left with the understanding of the support that is provided to the student of determination.
