

ARYABHATTA CLUB ACTIVITY
SESSION 2024-25

Name of the Activity : Shapes Ladder
Day & Date : Wednesday, 11 December 2024
Class : III
Activity Incharge : Ms. RK Vandana
Teacher Incharge : Ms. Mansi Goswami

A Glimpse of the Event

Objectives:

- To help students recognise and identify common shapes
- To promote a healthy mindset
- To build critical and logical thinking concept in fun way

“Pure mathematics is, in its way, the poetry of logical ideas.”- Albert Einstein

Aryabhata Club of MBS International School conducted an Inter Class Competition 'Shapes ladder' on 11 December 2024 . In the activity, the students were asked to identify various shapes by arranging them in a ladder-like pattern based on a specific criteria (e.g., increasing number of sides or size).

The activity was successful in helping the students enhance their understanding of geometric concepts. It provided opportunities to enhance their problem-solving skills. They were able to deliver colourful and creative patterns in the time allotted which further enhanced their time management skills.

Parameters/ Judgement criteria

- * Neatness
- * Creativity
- * Time management

Result

S.No.	Student Name	Class	Position
1.	Raima	III Meteorite	I
2.	Ansh Kumar	III Satellite	II
3.	Vardhan Hukku	III Comet	III
