

**BRAIN INTERNATIONAL SCHOOL**  
**CLASS – II**  
**WINTERS HOLIDAY HOMEWORK**  
**SESSION 2024-2025**

**Dear Learner,**

The winter holidays are a wonderful time to relax, recharge, and reflect on the year. It is also a time to explore new things, develop good habits, and nurture creativity. When holidays are spent meaningfully, they become more than just a break—they become an opportunity for growth and learning.

We encourage our young learners to use this time to cultivate hobbies, practice essential skills, and bring positive changes to your life and surroundings. **Here are some suggestions to make your winter break more productive and enjoyable:**

Explore a new hobby  
like drawing, baking or  
gardening.

Include immunity boosting  
foods like nuts, dry fruits  
and warm beverages in  
your diet.

Spend time with your  
grandparents and listen to  
their life stories and  
experiences.

I converse in  
English with  
everyone.

I help my parents  
in household  
chores.

Seasons play a significant role in shaping our lives, influencing the world around us in countless ways. We have thoughtfully designed the holiday homework to help children explore and understand the essence of seasons through an interdisciplinary approach.

The activities are curated to ensure that students integrate their learning across all subjects while discovering the wonders of changing seasons. From observing nature to expressing creativity, each task aims to make learning enjoyable and meaningful.

We encourage students to dive into these activities with curiosity and enthusiasm, as they blend academics with real-world exploration.

**Math :** Make a tabular presentation on an A4 size sheet, note the weather conditions and temperature from 1.01.25 – 10.1.25 everyday . (Like rainy, windy, sunny, cold, cloudy etc) Also write the temperature in ascending and descending order in maths notebook.

**EVS :** Write 8 - 10 lines on the festivals that are celebrated in your favourite season in your EVS notebook. (e.g Christmas in winter , Holi in Spring)

**English :**

- Find nouns and describing words from your favourite season and write it in your English notebook.
- Complete page no. 25 – 30 in your cursive writing book.

**हिंदी :**

- छात्र अपने किसी एक पसंदीदा मौसम पर कविता बनाए, जिसमें उसके मौसम, गतिविधियों और सुन्दरता का वर्णन हो तथा छुट्टियों के बाद कक्षा में सुनाए।
- सुलेख पुस्तक में पृष्ठ 25- 30 पूरा करें ।
