

## P.T.A. Body 2023-25

The P.T.A. Body is an integral and indispensable part of the functioning in the school. Suggestions, opinions and viewpoints of the P.T.A Body are considered to be of immense value for the growth and forward march of the school. Meetings with the P.T.A body are held at periodic intervals spanning the entire academic session which serves as an effective way of communication between the parent community and the school authorities. Such meetings provide a potent platform to the parent to give vent to their expressions regarding the school. The decisions arrived at such meetings are given due importance and are implemented henceforth.
