The month began with the commemoration of Geeta Jayanti, which completely highlighted all the elements of Dharma, Karma, and self-realisation, which was followed by Inter-house cricket tournament. The essence of month completely lies in the celebration of Christmas festival. This month was very much associated with Christmas activities in school, as a lot of December customs and traditions have been swallowed up by this festival alone, and at last it was concluded by the magnificent events of book fair.

The events like Parents story telling session, author's talk, Inter-house literary competition & character parade captured everybody's attention and knocked down every body's hearts.

❖ **GEETA JAYANTI**

Students of Pratap International School celebrated Geeta Jayanti on 11th December, 2024, in which they commemorated the knowledge imparted by Shreemad Bhagwad Geeta to its people.

The celebration highlighted its profound teachings of Dharma, Karma and self-realization. The students depicted and portrayed the reflection of the word karma by arranging them in a group activity. Geeta shlokas were recited collectively by the group of students.

The purpose of this collective felicitation was to reach out to the common people and make them aware about religion, truth and their duty.

Our enormously talented students on the one side not only mesmerized everyone with their earnestly, intense conviction for poem recitation, but on the other side with their captivating and heartfelt storytelling and debate sessions. They portrayed immense confidence which was shown through, inspired everyone to dive deeper into the world of books and imagination.

The Character Parade was really enjoyable for our junior ones where they came dressed up in their favourite cartoon character and displayed their creative talent by the ramp walk in the event.

The Book Fair was made even more enchanting with a captivating Story Telling Session, lovingly conducted by our talented parents.

With their creative expressions and engaging narratives, they transported the children to magical worlds, fostering a love for reading and imagination.

The session was a heartwarming success, with children and parents alike cherishing the special bonding experience.
