- **BOOK FAIR (Parent's Story Telling Session) :-**

At Pratap International School, our students were mesmerized as their parents stepped into the storyteller's shoes, spinning tales of wonder and imagination. From animated expressions to heartfelt lessons, this storytelling session strengthened the bond between home and school. Such moments ignite creativity, curiosity, and a lifelong love for stories in our young learners. Together, we created magical memories that last a lifetime!

- **CLASS ENRICHMENT OF MT:-**

- **Long and Short Activity:-**

Learning about the concept of long and short is important for kids as it helps them to compare objects and also helps them academically when they study this in detail. The activities are excellent and will help our student to understand the concept of long and short.

➤ **Penguin Cotton Pasting Activity:**

Penguins are one of the cutest animals on Earth. They waddle, they slide on their bellies, and they are always black-tie ready. Our MT students loved to paste easy cotton craft all about this adorable flightless bird.

Class KG:-

➤ **Our Helpers:-**

Students stepped into the roles of doctor teachers fire fighters and more! From delivering milk to saving lives,they learned the value of every profession and embraced the spirit of service. This activity not only sparked their creativity but also instilled respect for every day heroes.
