

We are excited to announce that *Gulf Madhyamam* is organizing the 10th edition of **EduCafe**—the largest holistic exhibition on education and career—on **12th & 13th of January**, at **Dubai Millennial Airport Hotel**, UAE.

We are expecting this year's event to surpass previous participation, with over **4000 students from across the UAE** expected to attend. The event is a unique opportunity for clients to showcase their products and services to a diverse audience, including students, parents, and professionals from the UAE, GCC, and India.

A Brief Look at Past Successes

Our previous *EduCafe* events have been a huge success, attracting an average of 4500 visitors, including students, parents, and educators. We've had participation from over 40 leading schools, universities, and colleges from around the world. This year's event promises to build on that success, with even more engagement from schools across the UAE.
