

## CONSTITUTION DAY

**Date- 26<sup>th</sup> November**

**Participated by- Entire School**

**Online Mode**

Students and faculty members celebrated 75 glorious years of the adoption of the Indian Constitution. They paid tribute to the great visionaries who drafted our Constitution- a foundational document defining India's democratic, socialist, secular framework. Activities were conducted online mode.

Students and staff of ITL Public School did a mass reading of the Preamble and observed the launch of the yearlong campaign - 'Hamara Samvidhan, Hamara Swabhiman', to orient the community about our duties as informed citizens of this vibrant and robust democracy.

On this consequential milestone of our Supreme Law of the Land-the Constitution- all pledged to put our duties before our rights and do our bit to build the India envisioned by our great leaders.
