

Children's Day

Date: 14 November 2024

Venue: ITL PUBLIC SCHOOL (Skating Rink)

Organised by: ITL PUBLIC SCHOOL

Classes involved: I-XI

Children hold the seeds of tomorrow within them. Let us nurture their growth with love, as they blossom into the leaders of the future."

Children's Day, or 'Bal Diwas', is celebrated annually on November 14 to honour and appreciate the invaluable presence of children in our lives. This day marks the birth anniversary of Pandit Jawaharlal Nehru, a visionary leader who understood the crucial role children play in shaping the future of the nation.

At ITL Public School, the occasion was celebrated with immense joy and enthusiasm. The teachers of the Primary wing organized a special assembly to entertain, engage, and delight the students. A beautiful song sung by the teachers enchanted everyone, while the humour in the skit had the audience in fits of laughter. The sight of their teachers twirling to lively tunes was truly amusing for the children. To make the event even more memorable, the teacher, dressed as Chacha Nehru, brought even more cheer to the celebration.

The day was further filled with exciting games and outdoor activities which ensured that every child felt cherished and valued, while also deepening the bond between teachers and students.

The event featured fun games like the wheelbarrow race, tug of war, and sack race, combining traditional and recreational activities with friendly competition. Students embraced the challenge, cheering each other and enjoying every moment. This celebration wasn't just about games; it fostered teamwork, resilience, and a sense of camaraderie, making it a day to remember. A big shoutout to our young champions for their enthusiasm and energy!

The day ended with a lively DJ performance, showcasing dance, joy, and high energy, creating unforgettable memories!
