- Academic Courses after Class XII for all Stream
- Professional Course
- Vocational Courses
- List of Colleges and Universities
- Career Options

MBS International School hosted an enlightening session for students of Grades XII, on Friday, 10 January 2025, focusing on Higher Education and Career Options After XII. The session aimed to equip students with future skills and foster career readiness, encouraging them to envision diverse future scenarios and delve deeper into self-discovery and skill identification.

The highlight of the session was an address by renowned career counsellor and motivational speaker, Mr. Arindam Bhattacharya, who provided valuable insights into emerging career opportunities. He emphasized the importance of employability skills alongside academic achievements and guided students, enabling them to identify their aptitudes and interests for thoughtful career planning.

An engaging Q&A session followed, where students received personalized advice, making the discussion highly interactive and impactful. The session left students with a renewed sense of clarity, confidence, and inspiration to make informed decisions for the future.
