

Undergraduate Admissions Open for A.Y. 2025-26

Warm greetings from the Indian Institute of Technology Delhi – Abu Dhabi (IITD AD).

IIT Delhi – Abu Dhabi is an extension of the prestigious Indian Institute of Technology Delhi, India's leading institution for higher education and research in STEM (Science, Technology, Engineering, and Mathematics). IIT Delhi is ranked among the top 50 institutions worldwide in the 2024 QS World University Rankings for Engineering and Technology.

IIT Delhi - Abu Dhabi offers four-year Bachelor's in Technology (B.Tech.) programs in cutting-edge fields of **Computer Science & Engineering, Energy Engineering, and Chemical Engineering**. Our curriculum is tailored to combine rigorous academics with relevant practical experience, nurturing students for global leadership roles in technology, research, and sustainable development.

The admission process for our Undergraduate Programs is underway and will be conducted through the Combined Admission Entrance Test (CAET). CAET is an entrance examination conducted by IIT Delhi – Abu Dhabi for admission to our Undergraduate Programs. CAET will take place twice this year. The first session is scheduled for February 16, 2025, and the second on April 13, 2025. **Registration for the first session closes on February 6, 2025, at 5:00 PM (Gulf Standard Time).**
