“Harmony is not the absence of conflict, but the ability to deal with it with grace.” – Anonymous” -

On Monday, 27 January 2025, MBS International School organised a workshop for Class I and II students focused on the theme of ‘Harmony in Action.’ The workshop aimed to highlight the significance of cooperation, kindness, and respect in everyday interactions. Through interactive activities such as group work, role-playing, and storytelling, students learned how peaceful collaboration and helping others contribute to creating a harmonious environment.

Engaging in fun games, creative exercises, and storytelling, the children were encouraged to stay attentive, follow simple instructions, and enjoy the learning process.

By the end of the workshop, students gained a deeper understanding of how small actions, such as being kind and working together, can help make their classroom and the world around them more harmonious. The session proved to be an enriching and valuable learning experience for the students.
