*"An equation for me has no meaning unless it expresses a thought of God."*

By Srinivasa Ramanujan

Dear Parents,

December 22nd is celebrated as National Mathematics Day to commemorate the birth anniversary of the legendary **Indian Mathematician, Srinivasa Ramanujan**.

The contributions and deep insights of **Srinivasan Ramanujan** continue to remind us of the beauty and boundless possibilities of mathematics. So, let us explore the magic of numbers, nurture our curiosity and ignite our passion for problem-solving through the activities to be held during Maths Week from December 17 to December 20, 2024.

S.NO	DAY/DATE	ACTIVITY	BRIEF-UP
1	Tuesday, December 17, 2024	Preliminary Round of Math Quiz.	Topics done in the class.
2	Thursday, December 19, 2024	Rangometry	Students will create scenery using different geometrical shapes. The theme of the Rangometry design is "Christmas/New Year." This activity will enhance the students' imaginative and logical skills.
3	Friday, December 20, 2024	Vedic Math Tricks	Students will learn Vedic math tricks that will assist them in performing calculations with accuracy and speed.

Warm Regards
