

**REPORT OF TECIES CLUB ACTIVITY
SESSION 2024-25**

Name of the Activity : Python programming Competition
Theme : Coding
Day & Date : Wednesday, 29 January 2025
Class : XI
Activity In charge : Ms. Rishu Kaul
Teacher In charge : Ms. Rishu Kaul

Objectives: To enable the learners to

- **Enhance Coding Skills:** To provide students with an opportunity to strengthen their understanding of Python programming, improve their coding skills, and gain hands-on experience in solving problems through programming.
- **Foster Problem-Solving Abilities:** Encourage students to think critically and develop problem-solving strategies to tackle real-world challenges using Python

"In programming, the hard part isn't solving problems, but deciding what problems to solve." — Paul Graham

MBS International School organised Python programming Competition for the students of Class XI on 29 January 2025. The event aimed to encourage students to showcase their coding skills, enhance their problem-solving abilities, and engage in friendly competition with peers from other class. The event was open to students of all skill levels, from beginners to more experienced coders.

JUDGEMENT CRITERIA:

Completion of programs:30 pts

Correct execution

Format of display

Result of the competition

| S.NO | NAME | CLASS | POSITION |
|------|------------------|-------|----------|
| 1 | Shaaila Bhardwaj | XI B | First |
| 2 | Yuvika Gill | XI B | Second |
| 3 | Prince Chauhan | XI A | Third |
