On 29 January 2025, the Quiz Club organized an engaging IT quiz for the students of Class VIII, aimed at fostering teamwork and enhancing students' knowledge of information technology. The quiz provided an opportunity for students to apply their understanding of technology in a fun and competitive environment.

The quiz comprised three rounds:

1. General IT Quiz – Testing students' knowledge of fundamental IT concepts, hardware, software, and recent advancements.
2. Acronyms and Abbreviations – This round challenged students' familiarity with commonly used IT terms and acronyms.
3. Rapid-Fire Round – A thrilling round where participants had to answer as many questions as possible within a limited time.

The students competed enthusiastically, showcasing their knowledge and quick thinking.

The event concluded with the teachers applauding all participants for their enthusiasm and encouraging them to keep exploring the ever-evolving world of technology. The IT quiz was a resounding success, sparking curiosity and excitement among the students.
