Date : January 29, 2024
Class : III
Activity In charge : Ms. Nishi Gupta

Glimpse of the Event

Objectives:

- *To introduce students to programming concepts in a visual and interactive manner.*
- *To foster the development of logical thinking skills.*

Technology is anything that wasn't around when you were born. – Alan Kay

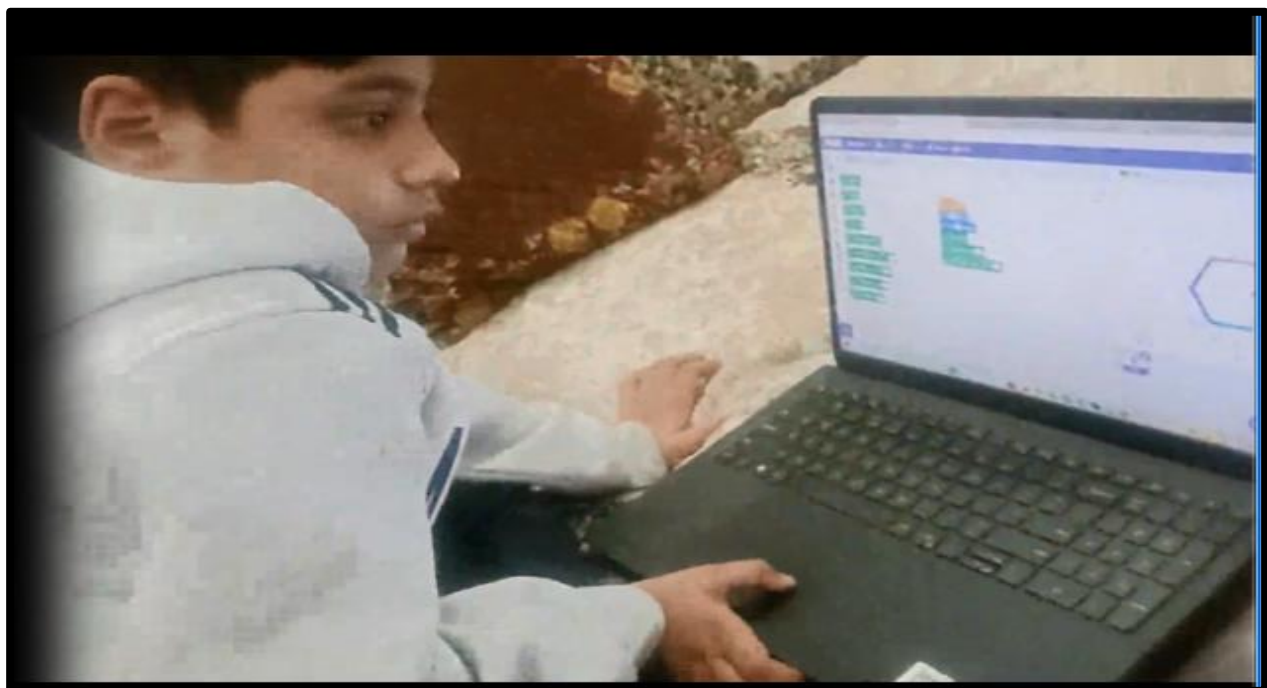

The Techies Club of MBS International School organized a Scratch programming competition for Class III students, where they were tasked with creating different shapes using various blocks. The students designed the given shapes and created scripts using these blocks, enhancing their logical thinking by breaking down tasks into smaller, manageable steps. This competition provided an engaging and educational experience, fostering intellectual growth and promoting creative learning.
