On 31 January 2025, MBS International School organised a special assembly to celebrate Basant Panchami for students from Nursery to Class V. The festival, dedicated to Goddess Saraswati, marks the arrival of spring and emphasises the importance of wisdom and learning.

The assembly commenced with a Saraswati Puja to seek the blessings of the goddess. The students participated in a variety of cultural activities, including energetic dance performance, a soulful song, and a rhyme related to the festival. A short theatrical performance illustrated the cultural significance of Basant Panchami in India.

The school was beautifully decorated with yellow flowers, symbolising the festive spirit. The programme concluded with a meaningful message highlighting the value of knowledge, learning, and the beauty of the spring season.

The assembly was a delightful and enriching experience for the students, blending tradition with creativity and bringing happiness to everyone involved.
