

PRATAP INTERNATIONAL SCHOOL GRADE – (MT – PREP) JANUARY (2025)

SYNOPSIS: Students in school engaged in a variety of enjoyable activities, fostering both academic and personal growth. Children enjoyed a lot and also participated in subject related activities and co-curricular activities as well:

- ❖ **BOOT CAMP**
- ❖ **FOUNDER'S DAY**
- ❖ **COFFEE WITH DIRECTOR**
- ❖ **REPUBLIC DAY**

- **BOOT CAMP :-**

Watch our young minds explore seed germination, discover melodies in music, turn trash into treasure with craft, and aim for success with archery. From hands-on activities to creative exploration, we nurture curiosity, skills, and holistic growth every day.

- **FOUNDER'S DAY :-**

We honored the pioneers who turned dreams into reality, the leaders who light our way, and the passion that drives us forward!

Let's take a moment to appreciate the journey, the visionaries, and the milestones that have shaped our story. Together, we continue to strive for greatness and inspire the generations to come.

- **COFFEE WITH DIRECTOR :-**

A heartwarming conversation unfolded between Dr. Surabhi Bhadauria, Director of Pratap International School, and our wonderful parent community. This engaging session provided an open platform for parents to share their thoughts, concerns, and suggestions, fostering a

stronger bond between the school and its families.

At PIS, we firmly believe that open communication is the cornerstone of a nurturing and progressive environment for our students.

- **REPUBLIC DAY :-**

At Pratap International School, our students were mesmerized as their parents stepped into the storyteller's shoes, spinning tales of wonder and imagination. From animated expressions to heartfelt lessons, this storytelling session strengthened the bond between home and school. Such moments ignite creativity, curiosity, and a lifelong love for stories in our young learners. Together, we created magical memories that last a lifetime!

- **CLASS ENRICHMENT**

Class MT:-

➤ **Transfer the Leaves Activity:-**

Activities play a vital role in helping kids learn & develop skills. Completing activities & achieving small goals boosts kids' confidence & self-esteem.

Our talented MT students developed fine motor skills through grasping & releasing small objects & enjoyed the activity of transferring the leaves from one cup to another cup.

It enhances their hand-eye coordination through precise movements.

By incorporating a variety of activities into their routine, kids can develop a strong foundation for future learning success.

Class KG:-

➤ **Class Job Description:-**

A little learners took an important roles in the classroom ! From distributing material to organising lines, these young leaders learned teamwork, responsibility, and how to help each other. Through these activities, they built up essential life skills while keeping our classroom fun and organised

➤ **Bits Of Paper:-**

The aim of this activity is to make children understand that the balloon rubbed on dry hair also attracts bits of paper

Class PREP:-

➤ **'Sh' Diagraph:-**

The objective of the 'sh' blends activity is to help children develop phonological awareness, reading, and spelling skills by practicing the 'sh' sound blend in a fun and engaging way.
