

# PRATAP INTERNATIONAL SCHOOL

## Grade – II

(1<sup>st</sup> January – 31<sup>st</sup> January 2024)

**SYNOPSIS:** January at Maharana Pratap School was a kaleidoscope of celebrations! We kicked off with a thrilling Winter Boot Camp for our young students, followed by Founder's Day, honoring our founder's visionary legacy.

Our Director Ma'am hosted "Coffee with Director," an exclusive meeting with parents to share views, address concerns, and resolve queries. This open forum fostered a sense of community and collaboration.

Meanwhile, our Alumni Meet brought together old students, rekindling friendships and memories. They reunited with beloved teachers and mentors, reliving childhood moments and sharing stories of their journeys.

The month culminated in a grand Republic Day celebration, featuring a stirring band performance, flag-hoisting ceremony.

### ❖ BOOT CAMP:

At Pratap International School, learning goes beyond books!

Watch our young minds explored seed germination, discovered melodies in music, turned trash into treasure with craft, and aimed for success with archery. From hands-on activities to creative exploration, we nurtured curiosity, skills, and holistic growth every day.

## ❖ FOUNDER'S DAY:

We honored the pioneers who turned dreams into reality, the leaders who light our way, and the passion that drove us forward! Celebrated the spirit of innovation, dedication, and excellence that defined us. We took a moment to appreciate the journey, the visionaries, and the milestones that have shaped our story. Together, we continued to strive for greatness and inspired the generations to come.

On this special day, we celebrate the pioneers who brought a vision to life, the guiding lights who inspire us every day, and the dedication that fuels our path to excellence.

## ❖ COFFEE WITH THE DIRECTOR:

A heartwarming conversation unfolded between Dr. Surabhi Bhadauria, Director of Pratap International School, and our wonderful parent community. This engaging session provided an open platform for parents to share their thoughts, concerns, and suggestions, fostering a stronger bond between the school and its families.

At PIS, we firmly believe that open communication is the cornerstone of a nurturing and progressive environment for our students. Together, we strive to create a space where every child can thrive and every parent feels valued and heard.
