Embracing Wisdom, Igniting Futures: GRADE UKG (Sprouts)

Dear Parents,  
Greetings!

We are thrilled to share with you the Pre-Primary Wing Newsletter for the third quarter of the 2024-25 session. This edition is a lively collection of our students' activities, showcasing their boundless creativity, enthusiasm, and the joy they bring to our school community.

Our little ones have been actively engaged this quarter! Each page of this newsletter celebrates their growing skills and remarkable progress on their developmental journey. Looking ahead to the upcoming months, we are excited about the array of activities and learning experiences planned for our Foundational Years. Our commitment remains strong in providing a nurturing environment where every child can explore, discover, and thrive. We hope you enjoy reading this newsletter, which captures the wonderful learning experiences of our young learners. Your support and involvement play a vital role in their growth, and together, we continue to nurture a strong foundation for their future success. Warm regards,

Director-Principal

# Happy Dussehra

The festival of Dussehra resonates with the victory of good over evil, and righteousness over injustice - an important lesson for every child.

The tiny tots dressed in traditional clothes were looking magnificent.

The significance of the festival was explained to the little learners through the story with props . UKG students also enjoyed making Ravana stick puppet in the class. The celebration was a learning experience for all and enriched the young ones about our heritage and culture.

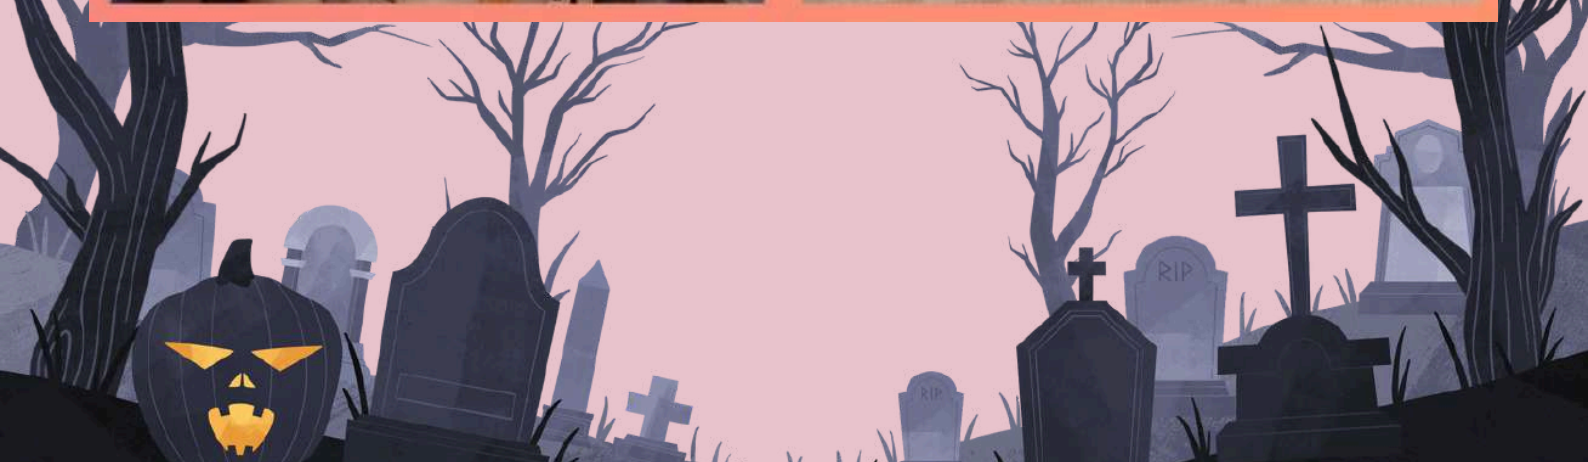

# happy halloween

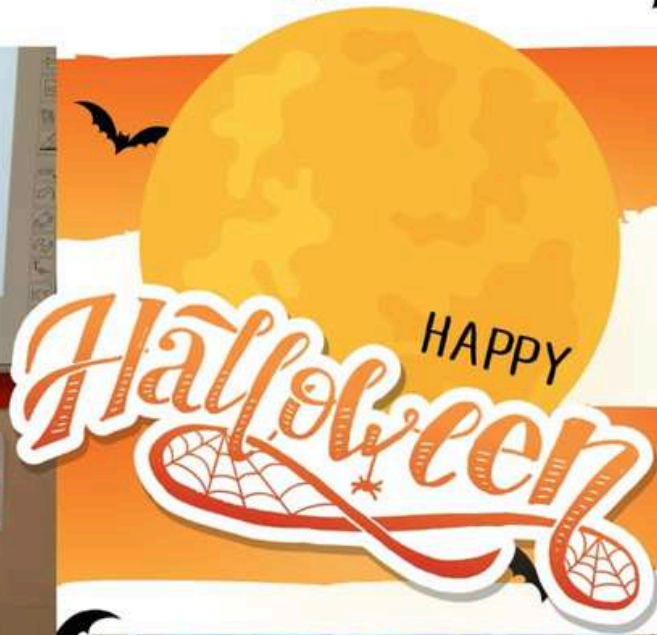

Spooky Fun in UKG: The UKG class had an absolutely spook-tacular time celebrating Halloween this year! The little ones were buzzing with excitement as they embraced the festive spirit with creativity and enthusiasm.

To kick off the celebration, the children were invited to dress up as their favourite spooky characters, and they did not disappoint! The classroom was filled with witches, vampires, ghosts, pumpkins, and even a few friendly monsters, all bringing their costumes to life. It was a colorful and spooky sight, with the children proudly parading in their outfits and sharing laughs with their friends.

But the fun didn't stop there! The highlight of the day was the spooky card-making activity

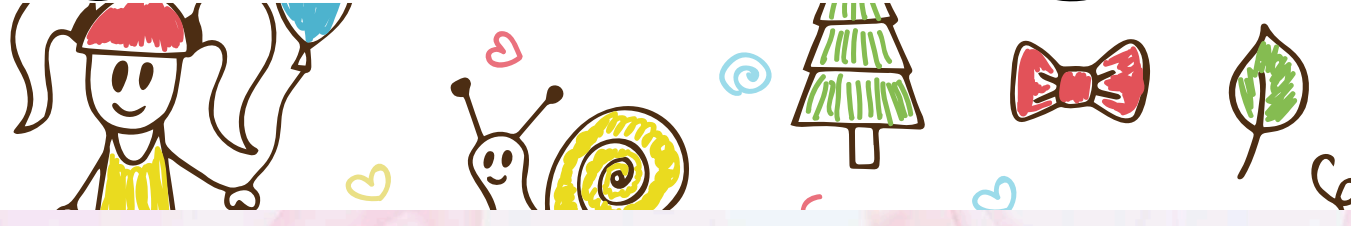

PIC • COLLAGE

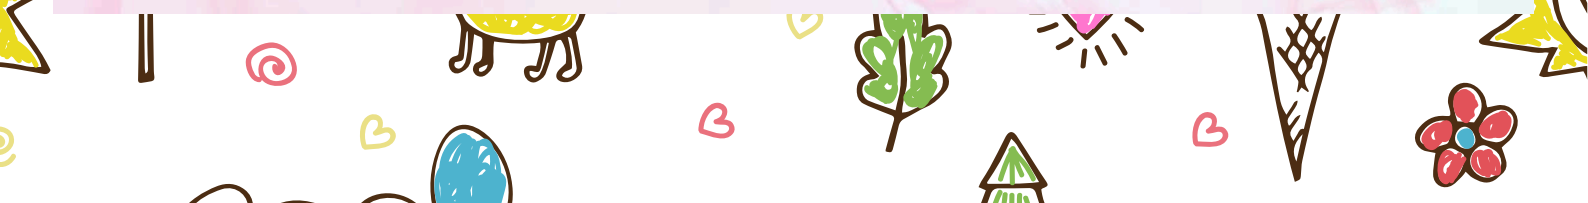

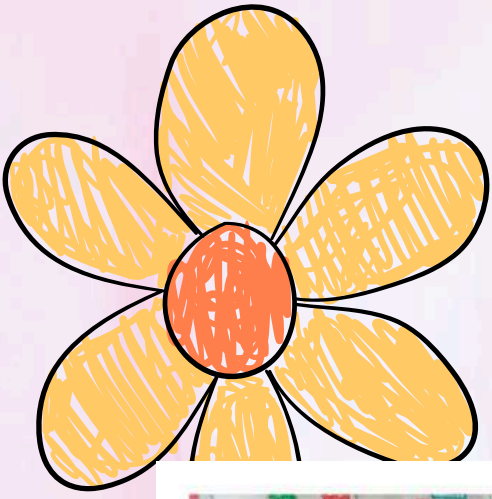

# Happy Childrens Day 😊

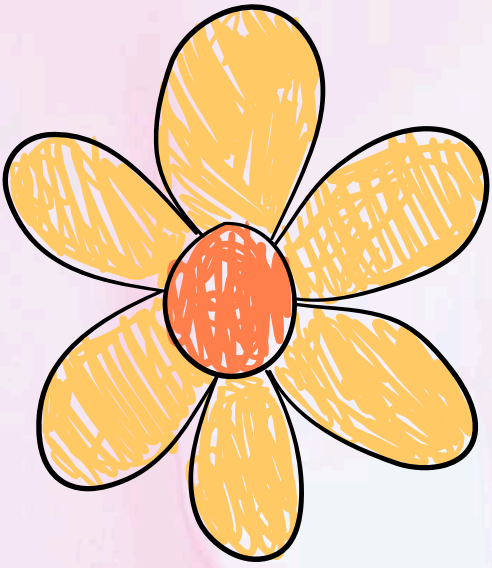

**On Children's Day, the teachers performed entertaining acts for the students in a special assembly . The fun continued with exciting class activities like building with Legos, playing games, enjoying a lively dance session and mesmerising magic show. The day was wrapped up with a joyful class party, filled with laughter and celebration, making it a memorable experience for all the children.**

## **Thanksgiving Day Celebration!!!**

**Thanksgiving Day was celebrated with great enthusiasm as our little artists showcased their creativity through a special art and craft activity. The children made beautiful heart-shaped cards to express their gratitude and appreciation for their loved ones. Using vibrant colors, glitter, and stickers, they decorated their cards with heartfelt messages and drawings of things they are thankful for. This activity not only enhanced their fine motor skills but also helped them understand the spirit of Thanksgiving - a day to be grateful and spread kindness. It was a joyful and meaningful experience for all!**

# HAPPY DIWALI

Our UKG students had a wonderful time celebrating Diwali! The children came dressed in beautiful ethnic wear, adding to the festive spirit.

The day began with a special assembly where teachers shared the significance of Diwali, explaining its importance and the tradition of spreading joy and light. After the assembly, the celebration continued in the classroom, where the children actively participated in making colorful Rangolis to decorate their class. It was a joyful day filled with learning, creativity, and the spirit of togetherness.

# Show and Tell

Show and Tell is an engaging way for young learners to develop public speaking skills while exploring meaningful concepts. In an interactive session on Community Helpers, our enthusiastic learners used placards along with tools, accessories, and props to visually represent different professionals who serve our community.

This activity not only boosted their confidence in speaking but also deepened their appreciation for the individuals who work tirelessly to keep our society running smoothly.

# Show and Tell

# Show and Tell

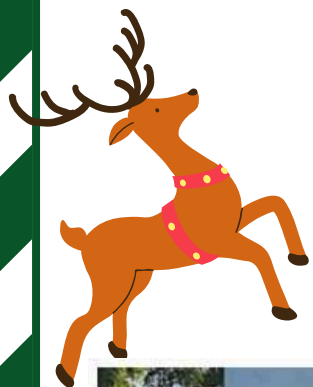

# Show and Tell

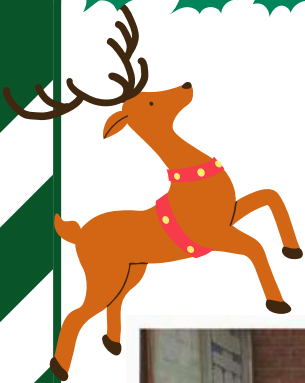

# CHURCH VISIT

**On the occasion of Christmas, the children visited the church to learn about its significance. They were briefed on the church's rituals and the process of prayer, gaining a deeper understanding of the spiritual practices. The importance of Christmas as a celebration of love, kindness, and the birth of Jesus was also shared, making it a meaningful experience for all the children.**

# Merry Christmas

Christmas brings cheer and love and we celebrate it with the same fervor, spreading the message of love and joy among our children. The festival commemorates the birth of Jesus, the son of the Christian God. This year at St. Xavier's High School ,In keeping with the Christmas spirit ,Children were taken to the Church and enjoyed singing carols. They learnt about the birth of Jesus through story. The tiny tots of UKG made a Santa craft. It was indeed a day filled with great fun and joy for them.

*Merry Christmas*

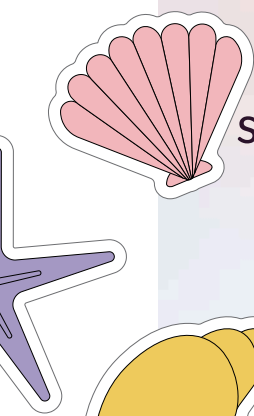

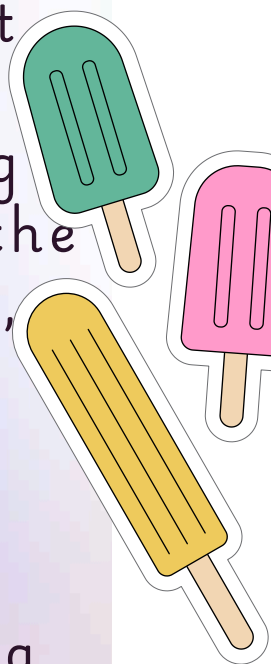

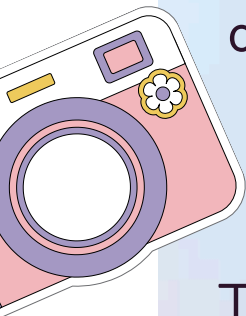

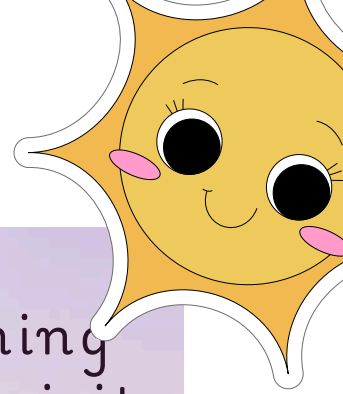

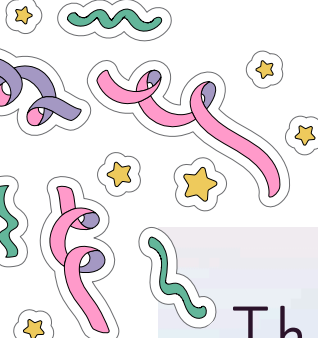

Merry Christmas

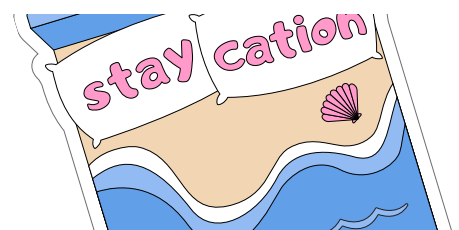

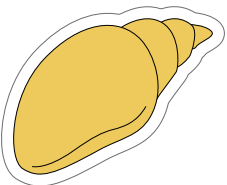

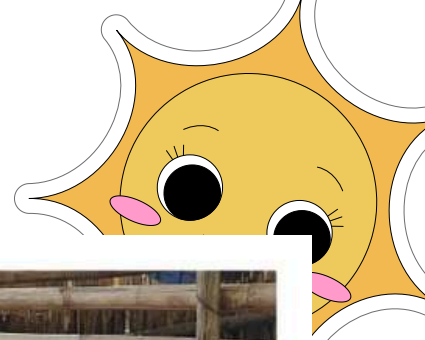

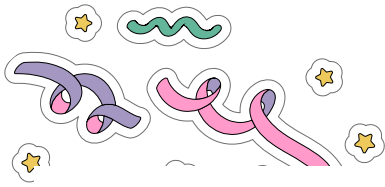

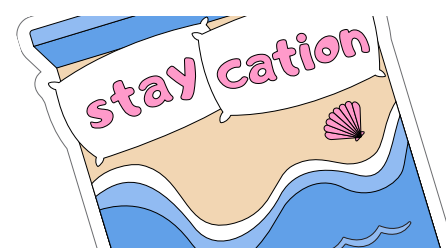

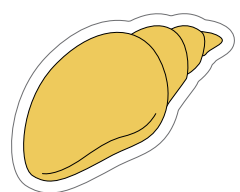

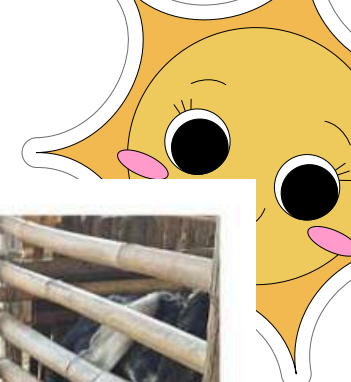

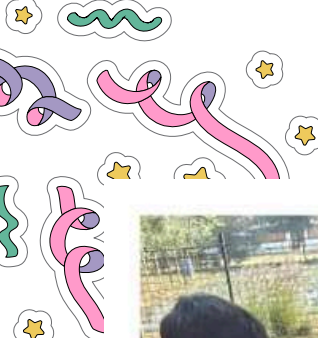

# EXCURSIONS

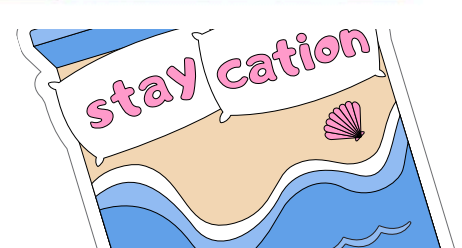

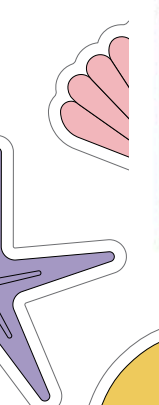

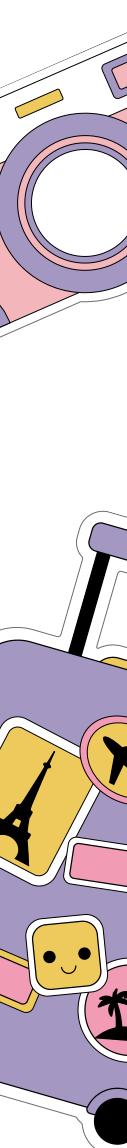

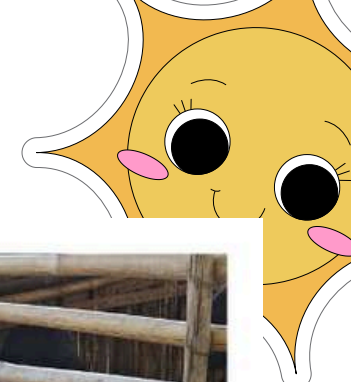

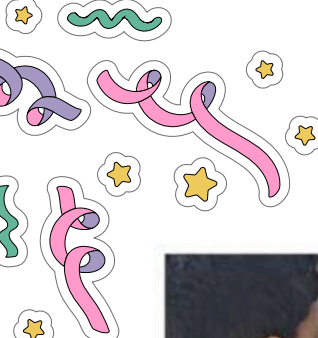

The UKG students had an enriching and joyful day during their field visit to Farmus Farm. The visit was a wonderful opportunity for the little ones to explore the beauty of nature and learn about farming in a fun, hands-on way.

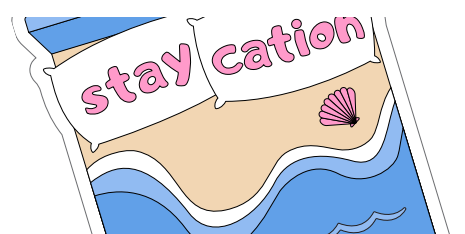

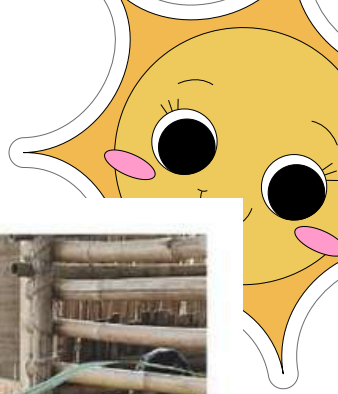

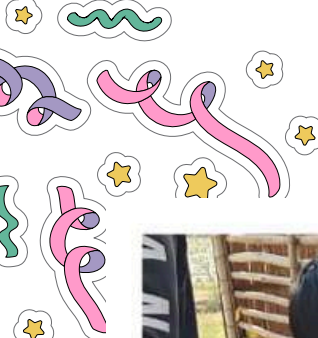

The children were thrilled to witness strawberry farming and even got to see the process of organic farming up close. They enjoyed handpicking fresh vegetables straight from the fields, which added a touch of excitement and curiosity to their learning experience. The visit to the petting area was another highlight, where the kids interacted with farm animals, learning to care for and respect them. This field trip was not only educational but also fostered an appreciation for nature and sustainable living among our young learners.

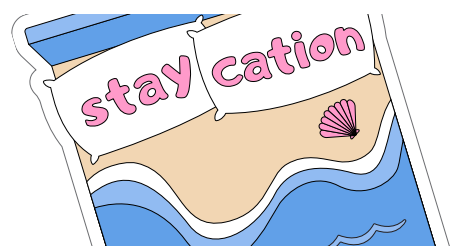

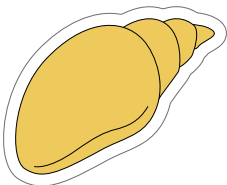

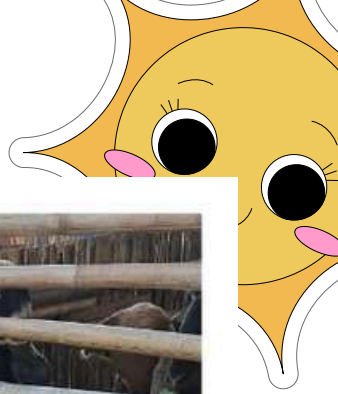

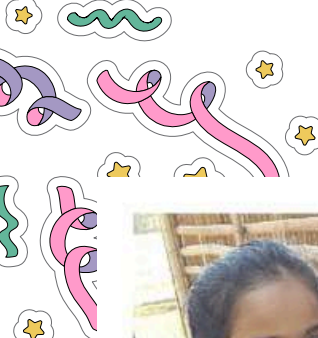

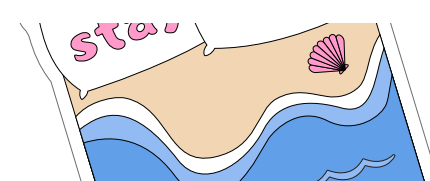

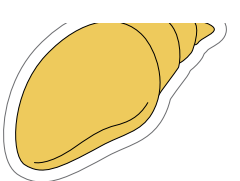

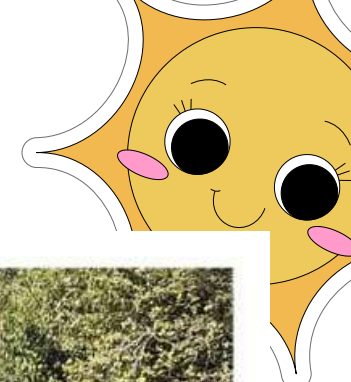

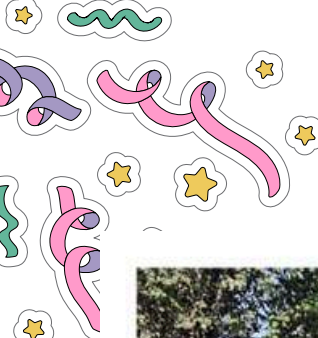

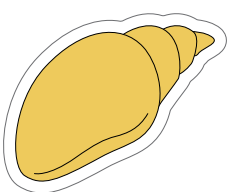

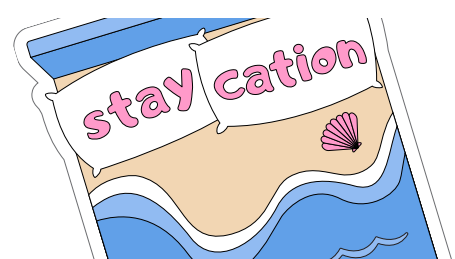

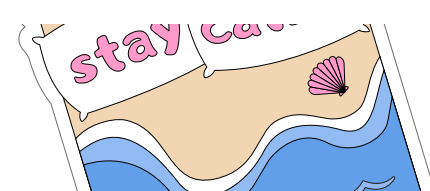

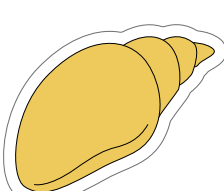

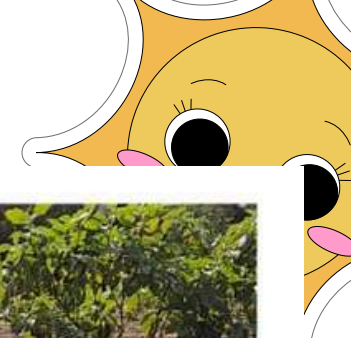

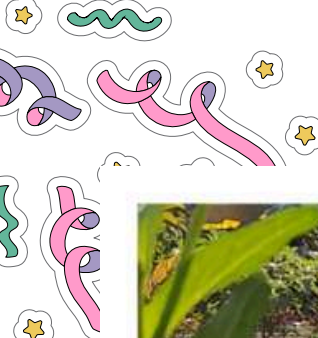

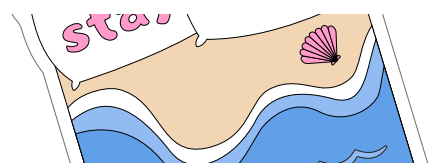

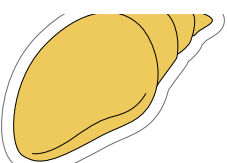

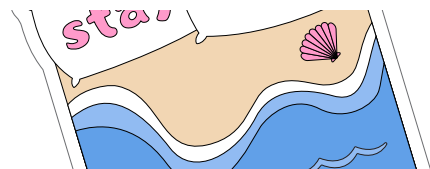

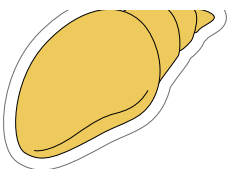

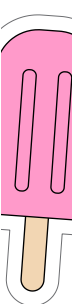

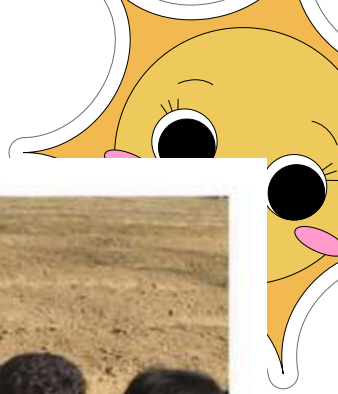

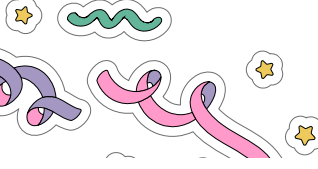

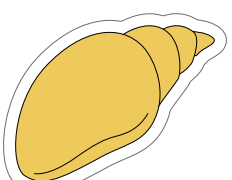

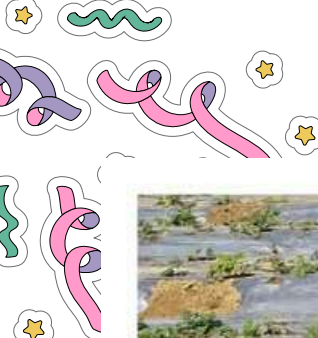

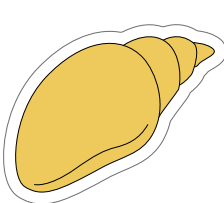

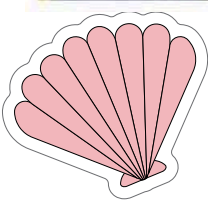

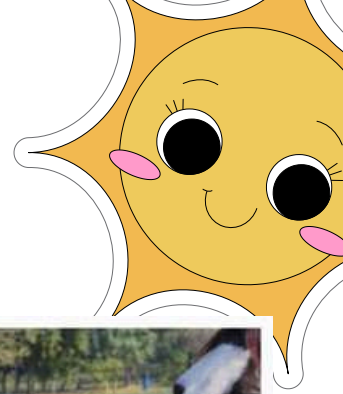

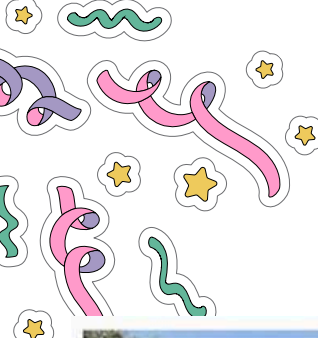

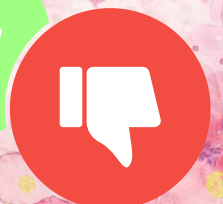

# Good Touch Bad Touch

**We celebrated Good Touch and Bad Touch week to help children understand their safety and well-being. Teachers explained the concept of good touch and bad touch. They also discussed the idea of the "safety circle," identifying trusted adults they can turn to for help. The children reflected on what they learned by completing a related worksheet. It was an important week focused on keeping our little ones safe and confident.**

# Subject Enrichment

Enrichment activities encourages students to take a more expansive or in depth look on subjects to a more meaningful facet of the real world. Enrichment promotes critical thinking and problem solving skills, improve students ability to concentrate and make learning more meaningful, valuable and rewarding.

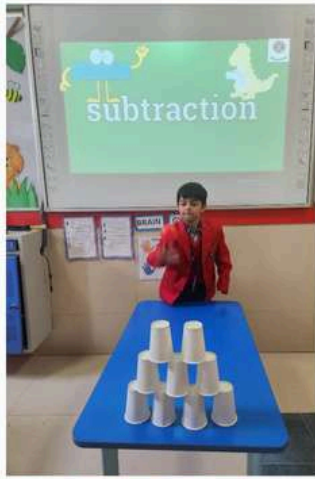

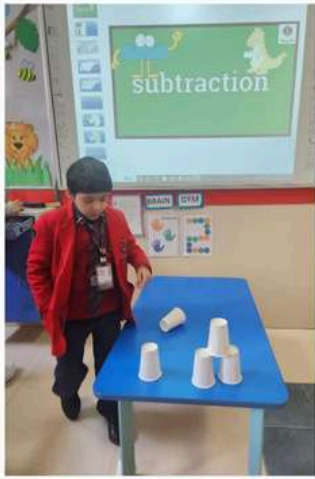

Enrichment activities are fun which helps students to become more engaged in their learning and retain more information.

**NUMERACY**- our learners strengthened their mathematical skills through engaging hands-on activities. They explored skip counting by 2s, 3s, and 5s using the Hopscotch Caterpillar Activity, making learning both fun and interactive. They also practiced single-digit addition and subtraction, enhancing their problem-solving abilities. The Hit the Glass Game made subtraction an exciting and practical experience.

**LITERACY**- This quarter in Literacy, our learners explored exciting phonics concepts to strengthen their reading and spelling skills. They practiced L blends and S blends, enhancing their ability to recognize and pronounce blended sounds. They also learned about digraphs, focusing on letter combinations that create unique sounds. Engaging activities like the Whale Activity for wh and the Phone Activity for ph made learning fun and interactive.

**HINDI**- This quarter in Hindi, our learners expanded their vocabulary by practicing three- and four-letter words and forming simple sentences using them. They strengthened their reading skills through engaging activities with Vyanjan flashcards, helping them recognize and recall letters effortlessly.

# EVS

This quarter in EVS, our learners explored exciting themes that connected them to the world around them. They discovered the roles of community helpers through engaging activities to understand their importance. Exploring types of food and the food pyramid, they learned about healthy eating and making nutritious choices. They also delved into the fascinating world of animals, identifying their habitats and unique characteristics. Through interactive discussions, hands-on activities, and storytelling, learners developed curiosity, awareness, and appreciation for their surroundings, making this quarter a meaningful and enriching learning experience.
