Embracing Wisdom, Igniting Futures: GRADE KINDERGARTEN

Dear Parents,

Greetings!

We are thrilled to share with you the Pre-Primary Wing Newsletter for the third quarter of the 2024-25 session. This edition is a lively collection of our students' activities, showcasing their boundless creativity, enthusiasm, and the joy they bring to our school community.

Our little ones have been actively engaged this quarter! Each page of this newsletter celebrates their growing skills and remarkable progress on their developmental journey.

Looking ahead to the upcoming months, we are excited about the array of activities and learning experiences planned for our Foundational Years. Our commitment remains strong in providing a nurturing environment where every child can explore, engage, and excel.

We hope you enjoy reading this newsletter, which captures the wonderful learning experiences of our young learners. Your support and involvement play a vital role in their growth, and together, we continue to nurture a strong foundation for their future success.

Warm regards,

Director-Principal

GANDHI JAYANTI

“There is nothing higher than the Truth.”

Gandhi Jayanti is celebrated on 2nd October every year to commemorate the birth anniversary of Mahatma Gandhi, the father of our nation. Our little Xaverians were given a brief introduction to Gandhi ji and his role in achieving freedom for India. His principles and ideologies were shared with the children stressing on the teachings of Gandhiji's 3 wise monkeys -speak no evil, hear no evil, and see no evil. Charkha, lathi, spectacles, his footwear and 3 monkeys were also displayed in the atrium.

GOOD ALWAYS TRIMPH OVER EVIL

Dussehra resonates with the victory of good over evil - an important lesson for every child.. Kindergarten students exhibited a lot of excitement in watching the animated movie based on the Dussehra Celebration and spoke about their favourite character from the same. Children came dressed up in traditional attire and also made Ravana craft and were quite thrilled to show their piece of art work. The event was a learning experience for all and enriched the young ones about our heritage and culture.

HAPPY Diwali

Diwali, the festival of lights symbolizes the victory of inner light over spiritual darkness. Diwali was celebrated with gaiety and fervour in the school. Children came dressed in traditional attire and enjoyed different activities like 'Rangoli making' and 'Diya decoration'. Our little ones shared the significance of Diwali with great enthusiasm and zeal.

There is no Garden as
beautiful as childhood

“Children are like buds in a garden and should be carefully and lovingly nurtured, as they are the future of the nation and the citizens of tomorrow” Children’s day was celebrated on 13th November with full enthusiasm to make each child feel special and loved. We at St. Xavier’s High school celebrated a memorable and fun filled day wherein an amazing magic show was organized for the children. Our little ones were astonished by the magical tricks shown to them. Awestruck, they applauded the magician after every single trick. Children’s day was made special by the teachers by hoisting special assembly for them having a plethora of activities like dance performances and singing songs. All the children were given chocolates as a token of love.

EMPOWERING KIDS WITH KNOWLEDGE:

“Kids Workshop: Understanding Good Touch, Bad Touch, and Personal Safety.”

Our kindergarten kids attended an enlightening session on Safe and Unsafe Touch conducted by our school counsellor, Ms. Anushree. She sensitively explained personal safety to the children through role-play. The concept of a Safe Circle was introduced, encouraging children to identify trusted adults they can approach in case of discomfort.

"VISIT TO FARMUS FARM"

The goal of early childhood education should be to activate the child's natural desire to learn," Maria Montessori Our children visited Farmus Farms, Gurgaon where they embarked on a delightful journey to a vegetable garden. One could see the sense of achievement the children experienced when they plucked turnips and radishes with their hands and filled their bags. Their curious minds and excitement to explore filled the air with happiness. As they wandered further into the farm, their faces beamed with joy when they encountered some familiar faces from their storybooks and rhymes - farm animals. Their happiness had no bounds when they touched and fed a cow, horse and rabbit. The farm adventure was truly a magical experience for our children.

CHRISTMAS CHEER AND JOY!

Our students visited the Church of Epiphany to celebrate the spirit of Christmas. The children were mesmerized by the beautiful decorations and the peaceful atmosphere, making this visit a memorable experience.

Christmas

The season of joy, love, and endless cheer!

Kindergarten children celebrated Christmas with joy and enthusiasm. They attended a special assembly on the Nativity to learn about the birth of Lord Jesus. The children also crafted beautiful Christmas decorations, including sparkling clay Christmas trees and festive stockings. Their excitement filled the classrooms as they eagerly participated in fun-filled activities such as carol singing, storytelling, games, and sharing their wish lists for Santa.

Subject Enrichment

Subject enrichment activities play a vital role in our curriculum, making learning interactive and engaging. This quarter, our students participated in exciting hands-on activities. In Hindi, children enjoyed the Vyanjan Bazaar, where they selected their favourite vyanjan and listed related words, reinforcing their vocabulary in a playful manner. In English, students practiced CVC blending using strings, enhancing their phonics skills through a tactile and engaging approach. For EVS, the students explored the theme Plants through various activities. They planted seeds in mud trays placed in their classrooms and enjoyed the process of witnessing the growth everyday. These activities not only made learning fun but also deepened students' understanding through experiential learning
