# RESONANCE FROM THE PARENTS' HEARTS

Respected teachers, Vidhaan had an incredible experience and he gathered unforgettable memories to cherish forever. The trip was very organised and teachers went over and beyond their duties to help kids during this transition. Vidhaan wants Sukhbans ma'am to teach all his subjects and that truly speaks about his bond and love for Sukhbans ma'am. We are looking forward to hosting kids from Korea and giving them an equally memorable experience. Thank you to school authorities and special thanks to all teachers for their efforts. 🙏

Aaryaveer's homestay with Geonwoo's family was an outstanding aspect of the program. The warmth, hospitality, and kindness extended by the family created a sense of belonging, allowing him to immerse himself in Korean culture seamlessly.

The program's well-structured itinerary, blending education and cultural exploration, enabled Aaryaveer develop meaningful connections with his peers and hosts. He returned with cherished memories, enhanced language skills, and a profound appreciation for Korean customs.

This exchange program has been a transformative experience for Aaryaveer, equipping him with:
