

CBSE Global Webinar Series, featuring Carnegie Mellon University (CMU), USA

To support these goals envisioned in NEP 2020, the Central Board of Secondary Education (CBSE) is organizing an exclusive webinar as part of the CBSE Global Webinar Series, featuring Carnegie Mellon University (CMU), USA. This webinar will offer CBSE students valuable insights into CMU's academic programs, admission process, and student experiences. This may further help students make informed decisions regarding their future, supporting them in choosing suitable academic pathways and career options.

Key Highlights of the Webinar

1. University Overview: Academic excellence, research opportunities, and campus life at CMU.
2. Admissions & Programs: Details on undergraduate admissions, popular and new majors.
3. Case Studies of Admitted Students: Real examples to guide prospective applicants.
4. Scholarships: Information on available financial aid and scholarship opportunities.
