REDIFINING EDUCATION

SHIKSHA VALLEY SCHOOL

S. P. SURESH
DIRECTOR
SHIKSHA VALLEY SCHOOL

Our school is a unique and most innovative institution of learning as we strongly believe in the all round development of each student. Our children are the stepping stones of the generation next. Our constant endeavour is to provide comprehensive environment that stimulates multi-dimensional development of each student i.e. physical, intellectual, academic, spiritual, emotional, cultural and artistic. The school provides high quality education with a diverse range of culture and creativity. We have a holistic approach for multi-dimensional growth of the learners.

We acknowledge that students are the building blocks of our school and nation at large. So, we inculcate values in the young minds like spirituality, patriotism, compassion, industriousness and distinct way of life besides formal education. The complete personality of the learners blossoms with the assistance of pious Teachers who stand like light-houses of inspiration for the betterment of the students.

We strive to provide diverse learning to the students which enables them to think creatively and explore their slumbering skills in the joy of learning.

Making the right choice

Founded with an entrenched vision and mission by the promoters of this beautiful school, who have a widespread knowledge, Shiksha Valley School is an inception of knowledge both tactical and operational provided for education and diligence! The school is located in one of the lush emerald green regions of North East India with a very pleasant environment. With tea gardens and paddy fields around, the environment is rich in natural heritage as well as provides for a peaceful aura for imparting education.

Setting a new index in infrastructural facilities of the North East, the School is the first highly equipped educational institution in the region with Ultra-Modern labs and all sophisticated facilities. A multitude of lab facilities at the campus, ranging from the ultra-modern Mathematics and Science labs to sophisticated Robotics Lab and English Language Lab along with aesthetically designed facilities for dance, music and sculpture ensure that learning is wholesome!

The school is CBSE-affiliated, which will serve as the best platform for students to stand out in competitive exams. The teaching mechanism here reflects a commitment towards being an environment-friendly and energy-efficient institution. Selection of faculty is executed through a meticulous procedure with unilateral focus on their qualification and background to ensure that only exceedingly qualified teachers having solid background are selected for being a part of the school. Students are taught with insights of lessons which are planned and developed through active commitment of expertise. We look for the implementation of a career-oriented approach in the pedagogical procedure for students in the higher classes.

Active partaking in wide range of extra-curricular activities is promoted for personality development and skill enrichment of each student individually. Choosing the right school for your child plays a critical role in developing their personality and shaping their life, and hence Shiksha Valley School ensures that every child gets nothing but the best. Our School has unique facilities which assures the parents of a healthy learning environment backed by commitment. Choose Shiksha Valley School for:

- The best fleet of teachers who impart quality education
- The commitment that the school shall induce creativity, values and discipline in your child
- The most modern teaching methods
- A completely digital School Management System with modern software to ease Admission process, Fee Management, Parents-Teachers Interaction, Online monitoring of children's activities and a dedicated system to keep an eye on the events of the campus
- International standard sports field spread in an area of 10 acres
- Remedial classes for paying special attention to the students
- A school campus spread over an area of 16 acres
- A host of co-curricular activities including music, dance, sports etc. Shiksha Valley School is a platform you choose for your child to nurture their future with the latest of methods of teaching and technology!

OUR UNIQUE FACILITIES

Science Labs

The School has three separate laboratories for conducting Practical tasks and activities in Physics, Chemistry & Biology. All labs are equipped with modern equipment & furniture.

I-Pad Lab

The world is turning smart with the use of smart gadgets. To foster the children's mind with new gadgets and interaction with the newest of technology, there is a fully dedicated i-PAD Lab. The i-PAD Lab is a gadget themed lab which is dedicated to the learning experience of children by the use of applications and games in i-PADs. Each student is accessible to their own gadget and work on it to understand functioning of these gadgets and know more about the digital world.

Swimming Pool

A state-of-the-art swimming pool with advance water purification technology keeps the students fit and in the best of their shapes. Swimming improves strength and flexibility, increases stamina and even improves balance and posture. Apart from this, swimming is an excellent life skill for children to learn and enjoy themselves. Three separate swimming pools for tiny-tots, juniors and seniors have also been provided.

Computer Lab

Proficiency in computer application has now become an integral part of every teaching and training curriculum. The school has latest computer lab with LAN facility.

Language & Audio-Visual Lab

The Language and Audio-Visual Lab of the school is well-equipped with modern devices required for training our students. The language lab is also equipped to enrich foreign language learning.

Robotics Lab

The School has a modern Robotics Lab with ample devices and equipment. Robotics as a field is a culmination of Mathematics and Science and helps students explore scientific concepts in action when they build robots and programme them using proprietary software.

OUR UNIQUE FACILITIES

Art and Craft

For the holistic development of a child, it is important to include fine arts in their study module. With activities like water colouring, painting, sketching, DIY crafting etc. The students are given to adopt a creative approach to everything. The Art & Craft Lab celebrates the world of colours and decorations making each child learn to hone their talents and come up with their imagination on paper/board.

Yoga

The Yoga & Meditation arena in the school is specially designed for students to practise yoga and learn meditation. This helps in making the students aware of themselves, attain confidence, happiness within and also generate energy which works best for them.

Martial Arts

Each one of us needs to learn some self-defense tactics to save us at all times. Martial Arts teach us such tactics and movements where we can beat the opponents and succeed in saving ourselves in times of danger. With the help of professionals who have won acclamations in this field, we try to develop the skills in each child for their safety and security.

Math Lab

In the Mathematics Lab children are made to exercise their practical acumen through the use of age and curriculum-specific kits. Additionally, it also helps them to dispel any fear of the subject – Mathematics and make it fun to learn.

Tennis Courts

The school will have a Tennis Courts to let the children pursue their hobbies and interests while improving their physical fitness.

Sculpture Lab

The Sculpture Lab is a fully dedicated studio to clay and designing where the students are made to work on their skills of making clay models, pots, vases etc. Under the guidance of teachers who are trained in clay-art.

Music & Dance

Shiksha Valley School has its own specially created environment- a dance and music studio equipped to help students with an inclination in these fields to hone their skills. The school aims to expose each student to our rich cultural heritage. Dance and music teachers, acting and elocution coaches work with each child, nurturing talent, inculcating confidence and polishing their skill sets.

OUR UNIQUE FACILITIES

Outdoor Play Area

A well-maintained Outdoor Play Area which includes see-saws, sliders, swings, merry-go-round and monkey bars etc. This helps children to refresh themselves and relieve them from stress.

Outdoor Game Facilities

The school offers Outdoor Games Facilities like Swimming, Lawn Tennis, Soccer, Basket Ball, Volley Ball, Cricket, Archery, Badminton, Kabaddi and Horse Ridding. Horse Ridding is proposed to be commenced in the session 2020-21.

Infirmary

The school has an infirmary to take care of medical emergencies during school hours.

School Bus Facility

Transport Service is available depending on the number of the students from any particular area and route. The School has its own fleet of buses which ferry our Day-School students. All vehicles are equipped with latest and most efficient communication technology, GPS System, Digital Attendance System and CCTV Cameras.

Air-Conditioned Library

The school has an impressive air-conditioned library comprising books, references, journals, encyclopedias and other reading materials. The e-library is equipped with high speed internet facility. The e-library is furnished with modern furniture which ensures comfort of each child.

All Digital (Smart) Classrooms

Smart Classrooms are the essence of modern era. A smart class includes smart learning techniques, smart classroom management, smart learning materials. Internet, projector and other multimedia devices are the main components of Smart Classrooms which are available in Shiksha Valley classrooms.

Indoor Games Facilities

(Separate for Junior & Senior sections)

Indoor Games Facilities like Billiards, Table-Tennis, Carrom, Chess, Air-Hockey, Foosball, Dart, Hop-Scotch, Scrabble and many more are available at Shiksha Valley School.

BILLIARDS

FOOSBALL

CHESS

TABLE TENNIS

BOARDING

Homely Accommodation

The school provides separate air conditioned hostel facilities for boys and girls in the campus. All the hostels are well furnished and have all the facilities that help the children live and grow in an environment that they can identify as their home.

Trained staff members including house mistresses and housemasters along with a whole range of support staff, are entrusted with the well-being of the children and to ensure that needs of our children are fully met.

Staying in a hostel is a unique experience and whosoever has stayed in one, will appreciate the true value of it. It's a well-known fact that hostel life infuses confidence and makes a child independent that helps him/her grow mentally and psychologically.

Hostel life instils a feeling of courage in oneself and makes one independent.

It's an opportunity provided where one makes friends for life.

We at Shiksha Valley School believe that our students deserve the best possible environment and resources. This will enable them to explore their potential to the fullest and carve a niche for themselves. Shiksha Valley School is one of the best boarding schools for boys & girls in Dibrugarh.

DINING:

A part of the hostel block consists of a spacious dining hall and hygienic kitchens (separate for vegetarians and non-vegetarians) with clean drinking facility. A wholesome and nutritious diet is provided to the students. Opportunity is given to the students to plan their weekly menu. There is a choice between Vegetarian and Non-Vegetarian food for each child to choose from.

CAFETERIA

The school has an aesthetically designed Multi-Cuisine Cafeteria offering a wide variety of cuisines and snacks. The Cafeteria functions on selected days in a week.

TRAINING AND DAY ROUTINE:

The day begins with a wake-up call followed by yoga, meditation and morning exercises. Morning bath is must for each child. After a refreshing bath, children move to the dining hall for morning breakfast which is followed by a brief period allotted for self-study. Thereafter, they walk school and join the school assembly for the Morning Prayer. During recess, children are served with milk, snacks etc.

After school is over, children return to their dorms, have their Lunch and change into sports attire. Evening outdoor sports like Swimming, Cricket, Basketball, Volleyball, Soccer and Indoor sports like Billiards, Dart, Hopscotch, Badminton, Carrom, Chess, Table Tennis, Foosball and Air Hockey are part of their daily schedule under the guidance of a trained coach.

A sumptuous supper is followed by relaxation and TV time. Post that, Children pack their school bags and tidy their uniforms for a poised and dignified look the next day. Although due assistance is provided to the children, they are encouraged to perform their daily chores on their own.

PREP-TIME:

Morning and evening tutorials are provided under the supervision of teachers to help the children prepare for their next day at school.
