DPS International, Saket
Parent Circular No. 012

Dear Parent,

With summer vacations around the corner, we will bring this session to an end with two events – a Food Fest followed by a cyber-security workshop.

Since May is 'National Health Awareness Month', we decided to have a Food Fest with a difference for each class on 19 May 2023 at 12 noon. We encourage students to bring and share their favourite native/traditional home-cooked food and preservative-free beverage (for eg, nimbupani, aam panna, chaas, lassi, jal-jeera etc.) so that we can collaboratively make our children aware of healthy eating practices. It will be appreciated if the food and drink is brought in recyclable containers as sustainability is the buzz word of the world.

Next, we have organised a cyber-security workshop with Mr Rakshit Tandon, a renowned cyber-security expert with special emphasis on gaming and child security in the virtual world. We invite all parents and students of classes 5 to 8 to attend this workshop in the School Auditorium at 1:00 p.m. to the end of the school day on 19 May 2023.

Moreover, we wish to start a canteen after the summer vacation but will need to know how many of you will be interested in midday meals. We are attaching a consent form (also available on the school website) for you to fill up and return physically or by mail duly signed by you by 22nd May, 2023.

Parents as partners has always been a motto in this school and so we need parents to volunteer as parent representatives so that together we will be able to make your wards reach their potential and scale new heights. The form for the same is attached and is also available on the website. Please return the same duly filled in by 22nd May, 2023.

Please also note that extra classes for Classes 9 upwards will continue from 22 May 2023 to 31 May 2023. The timings for the same will be 7:50 a.m. to 1:00 p.m. Buses will ply for the duration of the extra classes.

We wish you a safe and happy summer vacation.
