

ADRIEL HIGH SCHOOL
POWERED BY PRATAP INTERNATIONAL
SESSION: 2024-25
ANNUAL PLANNER
CLASS-2

ENGLISH

CHAPTERS	LEARNING OUTCOMES	PEDAGOGY	ACTIVITIES	RESOURCES	ACHIEVEMENTS	GAPS IDENTIFIED	REMEDIALS
CH 1- Grandma's Glasses (Grammar- Nouns, Punctuation)	* Recall facts and characters from the story. * Identify types of nouns and punctuation.	Storytelling, interactive discussions, grammar exercises	Worksheet 1, AI card on home rules	Noun flashcards, worksheets	Improved understanding of nouns and punctuation.	Confusion between common and proper nouns	Green flag: Creative writing focusing on noun usage. White flag: Sentence framing using nouns. Red flag: Basic noun exercises.
Poem 1- When mamma sleeps	* Learn to express emotions through poetry.	Poetry recitations and discussions	Reciting the poem, discussing emotions	Poem recitation guides	Increased comfort with expressing emotions.	Difficulty connecting emotions with the text	Green flag: Writing a new poem. White flag: Reciting and explaining feelings Red flag: Basic emotional expression through writing.
CH 2- Amit makes a friend (Grammar- Opposite words, Rhyming words)	* Differentiate between opposite words. * Form rhyming word pairs.	Vocabulary games, sentence framing	Mother's Day card activity	Card Templates *Printable card templates (color-in-designs, foldable cards) *Pop-up templates (flowers, hearts)	Improved vocabulary and creativity in writing.	Difficulty forming rhyming pairs	Green flag: Writing a poem using rhyming White flag: Vocabulary games. Words. Red flag: Extra opposite and rhyming word exercises.

Grammar- Simple Present Tense, Simple Past Tense	* Understand and apply present and past tense forms.	Grammar drills, storytelling	Worksheet-2: Amit makes a friend	Visual aids for tense understanding	Mastery of tense usage in everyday communication.	Confusion between present and past tense	Red flag: Basic practice with visual aids. White flag: Sentence writing with both tenses. Green flag: Write a story using both tenses.
CH 3- Vegetable Soup for Amma (Grammar- Pronouns, Compound words, Present Continuous Tense)	* Use pronouns correctly in sentences. * Understand compound words and present continuous tense.	Interactive games, role play	Show and tell activity	Pronoun identification worksheets	Enhanced understanding of pronouns and compound words.	Difficulty using pronouns correctly	Green flag: Writing stories using pronouns and compound words. White flag: Sentence construction using pronouns. Red flag: Basic pronoun identification. Red flag: Basic pronoun identification.
Grammar- Punctuation	* Correct use of punctuation in writing.	Punctuation drills, interactive exercises	Worksheet-3: Picture-based writing	Punctuation worksheets	Improved punctuation usage in sentences.	Misplacement of punctuation marks	Green flag: Writing paragraphs using advanced punctuation. White flag: More complex punctuation exercises. Red flag: Basic practice with punctuation marks.
CH- Get me the bucket (Grammar- Adjectives, Articles)	* Identify and use adjectives and articles properly.	Grammar practice, physical exercises	Jogging and running	Adjective and article worksheets	Proper identification and use of adjectives and articles.	Difficulty in distinguishing adjectives and articles	Green flag: Creative writing using adjectives and articles. White flag: Practice exercises on usage. Red flag: Sorting activities for

							adjectives and articles.
CH- The Tale of Peter Rabbit (Grammar- Helping Verbs, Conjunctions)	* Properly use helping verbs (is, am, are) and conjunctions (and, but, or).	Storytelling, emotional intelligence activities	FIELD TRIP TO THE NATIONAL ZOOLOGICAL PARK	Worksheets on helping verbs and conjunctions	Improved use of helping verbs and conjunctions in writing.	Struggles in applying helping verbs and conjunctions	Green flag: Writing a story using learned grammar concepts. White flag: Quizzes on conjunctions. Red flag: Basic exercises with helping verbs.
CH- Happy Pongal (Grammar- Has, Have, Prepositions)	* Use 'has' and 'have' correctly in sentences. * Understand different types of prepositions.	Hands-on grammar activities, discussions	Rangoli making using origami sheets	Creative designs and colors, sheets.	Mastery of 'has' and 'have' in sentence usage.	Confusion between 'has' and 'have' usage.	Green flag: Creative writing with correct usage of prepositions and verbs. White flag: More advanced exercises using 'has' and 'have'. Red flag: Basic structured sentence practice.
Poem- April Rain Song (Grammar- Compound Words)	* Form compound words and understand their meaning.	Word games, poem recitation	Circle time for compound word formation	Flashcards, word matching games	Improved skills in forming compound words.	Struggles in forming compound words	Green flag: Creative writing using compound words. White flag: Matching and word generation exercises. Red flag: Extra practice with compound words.

HINDI

CHAPTER	LEARNING OUTCOMES	PEDAGOGY	ACTIVITIES	RESOURCES	ACHIEVEMENT S	GAPS IDENTIFIED	REMEDIAL STRATEGIES
पाठ 1 - सोने जैसे दिन हैं इसके	संज्ञा व पर्यायवाची शब्द की पहचान	कविता, समूह चर्चा	भारत देश पर 5 पंक्तियाँ सुनाना	इंटरनेट पर भारतीय संस्कृति,	संज्ञा और पर्यायवाची शब्द की बेहतर समझ	संज्ञा व पर्यायवाची शब्द में भ्रम	Red flag: संज्ञा की पहचान के सरल अभ्यास।

(संज्ञा, पर्यायवाची शब्द)				परंपराएँ, और विविधता पर वीडियो			White flag: संज्ञा और पर्यायवाची शब्दों के वाक्य निर्माण। Green flag: रचनात्मक लेखन जिसमें संज्ञा और पर्यायवाची शब्द शामिल हों।
पाठ 2 - सुरकन्या (विलोम शब्द, क्रिया)	विलोम शब्द और क्रिया की पहचान	व्याकरण अभ्यास, पठन-लेखन	कागज से पक्षी या नाव बनाना	पेपर फोल्डिंग से संबंधित शिक्षा सामग्री	विलोम शब्द और क्रिया के सही प्रयोग में प्रवीणता	क्रिया और विलोम शब्दों में भ्रम	Green flag: विलोम शब्दों का उपयोग करके कहानी लिखें। White flag: विलोम शब्द और क्रिया का वाक्य निर्माण। Red flag: विलोम शब्द और क्रिया के अभ्यास।
पाठ 3 - मैं बड़ा हो रहा हूँ (विलोम शब्द, क्रिया)	विलोम शब्द और क्रिया के सही प्रयोग	व्याकरण अभ्यास	पठन-लेखन, वाक्य निर्माण	वाचन सामग्री	क्रिया और विलोम शब्दों में प्रवीणता	क्रिया और विलोम शब्दों में भ्रम	Green flag: रचनात्मक लेखन जिसमें विलोम शब्दों का उपयोग हो। White flag: विलोम शब्दों का वाक्य निर्माण। Red flag: क्रिया और विलोम की सरल पहचान।
पाठ 4 - काली कोयल (विशेषण, सर्वनाम, एकवचन-बहुवचन)	विशेषण-सर्वनाम की पहचान	कहानी सुनाना	पसंदीदा रंग की वस्तु पर 4 पंक्तियाँ	रंगीन वस्तुएँ और चित्र (जैसे: नीला आकाश, हरा पेड़, पीला सूरज)	सर्वनाम और विशेषण की बेहतर समझ	सर्वनाम के सही प्रयोग में कठिनाई	Green flag: कहानी लिखना जिसमें सर्वनाम और विशेषण का सही उपयोग हो। White flag: वाक्य निर्माण में उपयोग। Red flag: सरल वाक्य में पहचान।

पाठ 5 - पेड़ों की महिमा (विशेषण, विपरीत शब्द)	विपरीत शब्दों की पहचान	कविता और कहानी	सूखे पत्तों से छपाई की कला	ताजे या सूखे पत्ते (जो छपाई के लिए प्रयोग हो सकते हैं). रंगीन इंक या पेंट (छपाई के लिए).	पेड़ों और विपरीत शब्दों की बेहतर समझ	विपरीत शब्दों में भ्रम	Green flag: विपरीत शब्दों का उपयोग कर रचनात्मक लेखन। White flag: विपरीत शब्दों का वाक्य निर्माण। Red flag: विपरीत शब्द की पहचान के लिए अभ्यास।
पाठ 6 - रानी मधुमक्खी की चतुराई (संयुक्त वर्ण, वचन, लिंग)	वचन और लिंग की पहचान	कहानी सुनाना	क्रियाओं के साथ कविता	कविता के वीडियो जो बच्चों के लिए क्रियाओं के साथ हो.	वचन, लिंग की सही पहचान	संयुक्त वर्ण और वचन में भ्रम	Green flag: लेखन जिसमें वचन और संयुक्त वर्ण सही रूप में हों। White flag: वाक्य निर्माण में प्रयोग। Red flag: वचन और लिंग की पहचान।
पाठ 7 - इतनी बात (समान तुक वाले शब्द, एक-अनेक)	एक-अनेक की पहचान	व्याकरण, कविता	समान तुक वाले शब्दों का वाक्य निर्माण	राइम बनाने की गतिविधियाँ और वर्कशीट्स।	समान तुक वाले शब्दों की सही पहचान	एक-अनेक का सही उपयोग	Green flag: समान तुक का उपयोग कर कविता लिखें। White flag: समान तुक वाले शब्दों का वाक्य निर्माण। Red flag: एक-अनेक की सरल पहचान।
पाठ 8 - समझदार मंत्री (सर्वनाम, नए शब्द बनाइए)	नए शब्दों और सर्वनाम की पहचान	कहानी सुनाना	कहानी सुनाकर समझदारों दिखाना	वीडियो या ऑडियो में कहानी सुनाने की विधि.	नए शब्द और सर्वनाम की बेहतर समझ	सर्वनाम का सही उपयोग	Green flag: सर्वनाम का रचनात्मक लेखन। White flag: वाक्य निर्माण में नए शब्द। Red flag: सरल वाक्य में सर्वनाम।
पाठ 9 - आ गया बसंत (क्रिया योग, विशेषण)	क्रिया योग और विशेषण की पहचान	कविता, कहानी	बसंत ऋतु का वर्णन, पीले भोजन की चर्चा	वीडियो या ऑडियो में कहानी सुनाने की विधि.	बसंत ऋतु की बेहतर समझ	क्रिया योग का सही उपयोग	Green flag: क्रिया योग से लेखन। White flag: क्रिया योग का वाक्य निर्माण।

							Red flag: क्रिया योग की सरल पहचान।
पाठ 10 - दिल्ली की सैर (अनेक शब्दों के लिए एक शब्द)	अनेक शब्दों की पहचान	कविता और कहानी	दिल्ली की इमारतों पर चर्चा	दिल्ली के ऐतिहासिक स्थल(लाल किला) की वर्चुअल टूर	अनेक शब्दों के लिए सही शब्द की पहचान	अनेक शब्दों में भ्रम	Green flag: अनेक शब्दों का सही उपयोग। White flag: वाक्य निर्माण में उपयोग। Red flag: सरल पहचान।

MATHS

CHAPTER	LEARNING OUTCOMES	PEDAGOGY	ACTIVITIES	RESOURCES	ACHIEVEMENTS	GAPS IDENTIFIED	REMEDIAL
CH-1 Numbers up to 200	Read and write numbers up to 200	Hands-on practice, number line activities	Worksheet-1 Numbers up to 200	Printable worksheets for number identification, sequencing, and comparison up to 200.	Improved ability to read and write numbers	Difficulty in reading and writing numbers	Green flag: Apply number reading to real-life examples. White flag: Practice number reading with visual aids. Red flag: Simple number identification.
CH-2 Addition	Recognize symbol '+' for addition, observe properties	Hands-on practice, number line activities	Worksheet-2 Addition	Addition practice worksheets (single-digit, double-digit). Can download printable worksheets	Improved ability to solve addition problems using number line	Difficulty in regrouping addition	Green flag: Solve word problems with addition. White flag: Solve addition problems with aids. Red flag: Practice simple addition.

CH-3 Subtraction	Recognize symbol '-' for subtraction	Visual aids, hands-on practice	Show and Tell activity with food items of 2D shapes	Gather everyday food items that represent different 2D shapes (e.g., crackers for squares, tortilla chips for triangles, cookies for circles).	Enhanced subtraction skills	Confusion in regrouping subtraction	Green flag: Solve subtraction word problems. White flag: Practice regrouping. Red flag: Basic subtraction problems.
CH-4 Multiplication	Recognize the symbol 'x' for multiplication	Multiplication exercises, puzzles	Multiplication puzzles	Multiplication charts, puzzles	Ability to solve multiplication problems	Difficulty in regrouping multiplication	Green flag: Solve complex multiplication problems. White flag: Solve multiplication with regrouping. Red flag: Practice simple multiplication.
CH-5 Equal Sharing	Share equally and apply in real-life scenarios	Hands-on sharing activities	Measure your friend's height in hand span and cms	Use rulers, measuring tapes, or handspan templates for manual measurements	Improved ability to share equally	Difficulty in equally sharing	Green flag: Solve real-life sharing problems. White flag: Equal sharing practice. Red flag: Practice basic sharing.
CH-6 Numbers up to 1000	Count, add, subtract numbers up to 999 using real-life examples	Real-world examples, group work	Worksheet-6 Numbers up to 1000	Printable worksheets for number identification, ordering, and rounding numbers up to 1000	Enhanced problem-solving with large numbers	Difficulty solving large number problems	Green flag: Solve real-life word White flag: Solve large problems with aids. Problems with large numbers. Red flag: Practice using smaller

							numbers.
CH-7 Addition and Subtraction up to 999	Add and subtract numbers up to 999 using real-life examples	Group work, real-world examples	Worksheet-7 Addition/Subtraction		Enhanced problem-solving with addition and subtraction	Errors in regrouping while adding and subtracting	Green flag: Solve real-life addition and subtraction problems White flag: Regrouping practice. Red flag: Practice simple addition and subtraction.
CH-8 More Multiplication	Solve word problems and frame multiplication statements	Puzzle solving, word problem framing	Word problem framing	Multiplication puzzles, visual aids	Improved understanding of multiplication word problems	Difficulty in framing word problems	Green flag: Write and solve complex word problems. White flag: Solve word problems with aids. Red flag: Practice basic multiplication facts.
CH-9 The World of Shapes	Identify flat and solid shapes and their attributes	Visual aids, hands-on shape identification	Show and Tell activity	Shape flashcards and visual aids	Enhanced ability to identify shapes	Difficulty in recognizing shapes	Green flag: Solve real-life shape problems. White flag: Recognize and name shapes. Red flag: Practice sorting shapes.
CH-10 Metric Measures	Measure objects using metric units	Hands-on measurement activities	Measure your friend's height	Measurement tools, scales	Improved ability to measure using metric units	Confusion in converting units	Green flag: Solve real-life problems with metric measures. White flag: Convert units practice.

							Red flag: Basic measurement practice.
CH-11 Time	Read and write time on the clock in hours, half past, quarter past, quarter to	Clock reading, time exercises	Make a clock on an A4 size sheet	Clock model, worksheets	Mastery in reading and writing time	Confusion in reading time, placing hands on clock	Green flag: Solve real-life time problems. White flag: Time practice with aids. Red flag: Basic practice in reading time.
CH-12 Money	Identify coins and notes of Indian currency, perform addition and subtraction of money, convert rupees and paise.	Real-life money handling practice	Show and Tell on currency	Currency identification charts, worksheets	Improved ability to handle money	Confusion in converting rupees and paise	Green flag: Solve money transaction word problems. White flag: Money addition and subtraction practice. Red flag: Identify coins and notes.
CH-13 Representation of Data	Learn to represent data and group objects based on attributes	Data collection activities	Chart on data collection of fruits	Data representation worksheets	Ability to organize data effectively	Difficulty in organizing data	Green flag: Represent complex real-life data. White flag: Practice organizing data. Red flag: Organize simple data.
CH-14 Patterns	Identify, understand, and predict repeating	Pattern recognition, logical reasoning	Form patterns in groups with friends	Pattern blocks, sequence charts	Improved ability to identify and create patterns	Difficulty recognizing repeating patterns	Green flag: Solve pattern-based problems. White flag:

	sequences and patterns						Create simple patterns. Red flag: Identify basic patterns.
--	------------------------	--	--	--	--	--	--

EVS

SYLLABUS	LEARNING OUTCOMES	PEDAGOGY	ACTIVITIES	RESOURCES	ACHIEVEMENTS	GAPS IDENTIFIED	REMEDIALS
CH-1 Me and my body	* Identify and outline the functions of external body parts. * Develop self-direction and creativity skills.	Hands-on learning, motor skills activities	Circle time: I can use body parts to make sounds	Body parts worksheets	Ability to identify external body parts and their functions.	Difficulty in understanding external body parts	Green flag: Apply knowledge in real-life examples involving body parts and their functions. White flag: Describe functions of body parts. Red flag: Identify basic body parts.
CH-2 My Family and My Neighbors	* Differentiate between immediate and extended family. * Appreciate the importance of celebrating together.	Group Discussion.	Family tree And speak 4-5 lines on it Festival-related drawing	Family structure worksheets	Improved understanding of family structure and social skills.	Difficulty in distinguishing between types of family	Green flag: Write about different family structures. White flag: Describe family celebrations. Red flag: Identify immediate family members.
CH-3 Food and Clothes	* Sort food into different groups. * Recognize different types of clothes made	Group discussion, diet and clothing chart Real objects	Make a diet chart, and speak about different food groups	Diet charts, clothing identification	Enhanced understanding of a balanced diet and different clothing materials.	Confusion in grouping food and identifying clothing materials	Green flag: Write about the importance of a balanced diet and

	from various materials.						proper clothing materials. White flag: Classify different food groups and materials. Red flag: Identify basic food groups and clothing types.
CH-4 Houses We Live In	* Identify various types of houses and the materials used for building them.	Visual examples, discussions	Speak about types of houses and materials used	Building materials worksheets	Improved understanding of different housing types and materials.	Difficulty in identifying types of houses	Green flag: Write about the importance of proper building materials for different house types. White flag: Classify different types of houses and materials. Red flag: Identify the basic types of houses.
CH-5 People and Places around Us	* Identify landmarks and understand how to keep the neighbourhood clean.	Observation, discussions, group work	Cultural dance, discuss landmarks	Landmark identification charts, neighbourhood cleanliness guides	Improved observation of neighbourhood landmarks and understanding of cleanliness.	Difficulty in recognizing landmarks	Green flag: Write about the significance of landmarks and cleanliness. White flag: Describe the importance of keeping the neighbourhood clean. Red flag: Recognize basic landmarks.

CH-6 Plants- Our Green Friends	* Identify different parts of plants and recognize their function.	Plant study, observation skills	Nature walk, plant identification	Plant identification video, worksheets	Improved understanding of plant parts and their functions.	Difficulty in identifying plant parts	Green flag: Write about the importance of plants and their roles in nature. White flag: Describe the functions of plant parts. Red flag: Recognize basic plant parts
CH-7 Animals around us	* Identify animal movements, homes, and young ones. * Understand the importance of animals in the ecosystem.	Animal observation, habitat study	observing animal movements	Animal habitat video, ecosystem worksheets	Improved observation skills related to animals and their ecosystems.	Difficulty in identifying animal homes and movements	Green flag: Write about the importance of animals in the ecosystem. White flag: Describe animal habitats and young ones. Red flag: Recognize basic animal movements.
CH-8 Air and Water	* Understand how water and air are essential for living.	Water and air cycle activities	Deep breathing exercise, water cycle activity	Air/water cycle video, breathing exercises	Improved understanding of the roles of air and water in life.	Difficulty in understanding air and water cycles	Green flag: Explain how air and water contribute to life on Earth. White flag: Describe the air and water cycles. Red flag: Recognize the importance of air and water.
CH-9 Nature and Land around us	* Identify key components of nature.	Nature observation, land study	Poster on favourite season,	Seasonal worksheets	Improved understanding of	Difficulty in identifying	Green flag: Write about how land and

					nature and its components.	components of nature	nature are interconnected. White flag: Describe the components of nature. Red flag: Recognize basic components of nature.
CH-10 The Sky and the Seasons	* Observe how the sky changes with the seasons. * Recognize the importance of different seasons.	Seasonal observations, sky studies	Poster making on favorite season, sky observation	Sky observation video	Improved observation skills related to sky changes and seasons.	Difficulty in understanding seasonal changes and sky features	Green flag: Explain the importance of seasonal changes and their effects on nature. White flag: Describe how the sky changes with seasons. Red flag: Recognize basic changes in the sky.
CH-11 Transport and Communication	* Identify different modes of transport and understand the importance of communication.	Show and tell, group discussions	Show and tell: Favourite mode of transport Field Trip- Rail Museum	Transport Video	Improved ability to describe different modes of transport and communication.	Difficulty in identifying transport modes and communication tools	Green flag: Explain the role of transport in communication and daily life. White flag: Describe the importance of different modes of transport. Red flag: Identify basic transport modes.
CH-12 Time	* Distinguish between different times of the day and	Time-based observation activities	Make a calendar for the current month	Calendar templates, time worksheets	Improved understanding of the concept of time and leap years.	Difficulty in understanding time and the	Green flag: Explain the concept of leap years and daily time cycles.

	observe the position of the sun during the day.					position of the sun	White flag: Describe the position of the sun at different times. Red flag: Recognize basic periods.
CH-13 Directions	* Understand and apply knowledge of directions.	Direction games, concentration exercises	Directions game	Directional charts	Improved ability to understand and apply directional knowledge.	Difficulty in understanding directions	Green flag: Apply directional knowledge in real-life navigation tasks. White flag: Practice using directions in simple activities. Red flag: Identify basic directions.

COMPUTER

CHAPTER	LEARNING OUTCOMES	PEDAGOGY	ACTIVITIES	RESOURCES	ACHIEVEMENTS	GAPS IDENTIFIED	REMEDIAL
Chapter 1 - Computer Fundamentals	Understand the difference between computers and humans and how to switch them on/off	Compare computers with humans, teach switching on/off computers	Compare computers with humans, switch on/off the computer	Flashcards for computer types, video tutorials on switching on/off computers	Can switch on/off computers; understand basic comparison between humans and computers	Difficulty understanding the difference between human and computer roles	Green flag: Discuss advanced computer usage. White flag: Explain computer types. Red flag: Practice turning computers on/off.
Chapter 2 - Computer Applications	Understand the places where	Identify places where computers are	Collect and paste images of places using	Images of various places, A3 colored sheets	Can identify places where computers are used	Difficulty identifying computer	Green flag: Present places where computers are used in

	computers are used	used, discuss applications	computers on an A3 colored sheet			usage in various places	detail. White flag: Explain computer applications. Red flag: Identify places with images.
Chapter 3 - Working of a Computer	Understand the working of the CPU and various storage devices	Discuss CPU and its role, list storage devices	Discussion on the working of the computer, explain CPU and storage devices	Diagrams of CPU and storage devices, practice sheets	Can describe CPU functions and identify storage devices	Misunderstanding the role of CPU and storage devices	Green flag: Discuss advanced CPU and storage interactions. White flag: Explain CPU functions. Red flag: Identify basic CPU parts.
Chapter 4 - More on the Keyboard	Understand different keys and their functions	Teach different keys (alphabet, numeric) and their uses	Identify and use alphabet and numeric keys	Keyboard diagrams, typing practice software	Can identify and use alphabet and numeric keys	Confusion in identifying keyboard keys	Green flag: Write full paragraphs using keyboard keys. White flag: Type simple words. Red flag: Identify alphabet keys.
Chapter 5 - More on the Computer Mouse	Understand mouse parts and how to use them for calculations	Teach mouse parts and show how to use them for various tasks	Do calculations using the mouse	Diagrams of mouse parts, software-based practice tools	Can identify mouse parts and use the mouse for basic calculations	Difficulty in identifying parts of the mouse	Green flag: Use the mouse in calculations and navigation. White flag: Click and drag practice. Red flag: Identify mouse parts.
Chapter 6 - More on Tux Paint	Learn the tools in Tux Paint to create and print drawings	Teach how to use different tools in Tux Paint for drawing	Create a drawing using shapes, magic, and stamp tools	Tux Paint software, drawing sheets	Can create and print a drawing using various tools in Tux Paint	Confusion using Tux Paint tools	Green flag: Create detailed drawings and print them. White flag: Use various tools. Red flag: Basic drawing practice.

Chapter 7 - Introduction to MS Word 2016	Learn the features of MS Word, how to save, open, and print documents	Teach MS Word basics—how to format, save, open, and print documents	Start MS Word, identify parts of the Word window, and save and open documents	MS Word software, practice documents	Can save, open, and print documents in MS Word	Difficulty navigating MS Word and using its features	Red flag: Open and save documents. White flag: Type and format text. Green flag: Create and format detailed documents.
Chapter 9 - Artificial Intelligence (AI)	Understand AI and its applications in everyday life	Teach AI concepts, discuss real-life applications of AI	Discuss AI applications and AI-powered devices	AI-powered device videos, software demonstrations	Can define AI and recognize AI applications in everyday life	Misunderstanding of AI and its applications	Green flag: Discuss advanced AI applications and devices. White flag: Explain AI applications. Red flag: Identify AI devices.
