

Cir No.: STS/11/2025-26

11.04.2025 (Friday)

Dear Parent

Science is inexplicably linked with our lives and helps us understand the world better. By engaging with science, students learn to think, solve problems and make informed decisions. As an initiative to generate curiosity, enquiry and higher order thinking amongst the learners, the school will be organising the CBSE Science Challenge 2025-26 for students of **classes VIII - X**. This challenge shall be available on CBSE platform in the months of April - May, 2025. The theme of the CBSE Science Challenge is 'Science, Environment and Sustainability.'

Details of the CBSE Science Challenge:

- The challenge would be conducted through two rounds – within school and inter school.
- There is no participation fee in either of the two stages of this enrichment activity.
- All students of classes VIII to X are eligible to participate in Round One (first stage). Best two students from each participating class will be selected for Round Two (second stage).
- The Science Challenge paper would comprise a variety of stimulants followed by MCQs. The task for participating students would focus on both speed and accuracy.
- All the participants of Round Two would be issued an online participation certificate by the CBSE.
- An Appreciation Certificate would be given to best performing students.
- Interested students can give their names to their respective class teachers latest by 15.04.2025 (Tuesday).

Ms. Meneka I. Singh
(Principal)
