16.04.2025 (Wednesday)

"Love the sky and the earth's ground to keep it beautiful and forever around."

Dear Parent

World Earth Day is celebrated every year to create awareness about the planet Earth and thank Mother Nature for all its wonderful bounties. It is the day when we pause to think about our planet and its wealth in the form of flora and fauna. With an endeavour to recommit and strive to protect our Mother Earth, our school is organising multifarious activities for the students of classes **Nursery-XII** on **21.04.2025 (Monday)** and **22.04.2025 (Tuesday)**.

Date	Class	Activity	Description
21.04.2025 (Monday)	K.G.	Green Warriors	Students will participate in Costume Parade (DIY Fancy Dress Competition).
	I	Nature Print on My Handkerchief	Students will showcase their artistic prowess by creating art on handkerchief. Materials will be provided by the school.
	II	Create Your Own Planet	Materials required: buttons, bottle caps, shells, jute, dry leaves etc.
	III-V	Inter House Open Miniature Terrarium Garden	To promote environmental awareness, artistic expression and hands-on learning, an open miniature terrarium nature garden will be created reflecting on the theme "Bringing Nature Indoors".
	VI	Advertisement Challenge	Students will present social media advertisement promoting an environmental cause.
	VIII	Visit to Ecovera	Students will be apprised about waste recycling and how to manage e-waste.
	IX	Green Business Shark Tank	Teams comprising of eco-warriors will come up with ecofriendly business ideas.
22.04.2025 (Tuesday)	Nur-XII	Plantation Drive	An awareness drive to save Mother Earth.
	Nursery	Art and Craft Activity	Tree making using circle shapes and ice cream sticks
	V	Visit to Lotus Temple	Students will be enlightened about the temple's commitment to environmental protection and sustainability. Details of the visit will be shared shortly.
	VII	Craft a Nature Collage	Students will show their creativity through a collage by using scientific skills and love for nature.
	X	Workshop	A workshop will be conducted by Dr. Anil from the Department of Environment.

This planet belongs to us. Let us pledge to save it for our secure and bright future.

Happy Earth Day to all!!

Ms Meneka I. Singh
(Principal)
