Dear Parent

The enjoyment of reading books is celebrated on '**World Book Day**' which is celebrated on 23<sup>rd</sup> April every year. Books can change lives, open minds and teach new things. They are those vehicles which transport readers to far off lands and beyond the ordinary. Thus, it is always a good idea to keep company of good books because a child who reads evolves into an adult who leads. To encourage the habit of reading good books, the school is organising the following enriching activities for classes **I-XII** on **23.04.2025 (Wednesday)**.

Class	Activity	Description
I	<b>Tell -a -Tale</b>	Students will enact their favourite story by using props and costumes of their choice.
II	<b>Story Telling Session</b>	Interactive story telling session by resource person from Scholastic India.
IX-X	<b>Drama (The Dear Departed)</b>	Our talented students will bring to life the witty and satirical play.
III-XII	<b>Tales and Talks (Bribooks Special)</b>	Our young authors who have published their books on Bribooks will get an opportunity to interact with a popular author. Students will share their invigorating experience. They are also required to carry their books.
