

# Workshop on NCF FS 2022

An interactive and engaging CBSE Workshop on National Curriculum Framework for Foundational Stage was held at Sadhu Vaswani Intl School for Girls. The resource persons Dr Santosh Vyas and Ms Shalini Chauhan shared the guidelines for transaction of the curriculum at the foundational stage through a variety of activities. Through some engaging tasks and hands on experiences, they guided the teachers towards development of cognitive, affective and psychomotor domains at the foundational stage. The teachers thoroughly enjoyed this learning experience and shared that they would take it up similarly, with their students.
