

PRATAP INTERNATIONAL SCHOOL

Grade – III

(1st March-31st March 2025)

Synopsis: This month has been a vibrant amalgamation of learning, celebration, and growth at our institution. We began with a '**Capacity Building Programme on Active Learning**', equipped educators with innovative strategies to enhance classroom teaching.. The spirit of agriculture came alive during the '**Farm Show**', offered students a learning experience with nature and farm life. Colors and joy filled the atmosphere with music, laughter, and cheerfulness during our '**Holi Celebration**', where students and staff came together to embrace the spirit of togetherness and cultural tradition. Our hearts filled with pride at the '**Graduation Day Ceremony**' for our youngest learners, marking their first big step in education. The month concluded with a thought-provoking '**Workshop by Macmillan**', empowering teachers with the latest educational tools and methodologies.

Each event was a testament to our commitment to holistic development and joyful learning.

-
- ❖ **Capacity Building Programme on Active Learning**

Maharana Pratap Education Centre, in collaboration with Centre of Excellence, Prayagraj, successfully hosted the Capacity Building Programme on Active Learning, empowering educators with innovative teaching strategies.

This initiative marks a significant step towards fostering a more vibrant, learner-centered educational environment.

Farm Show

The students of Pratap International School had an educational experience during the much-awaited '**Farm Show**', organized in the school premises. The event introduced students to the importance of agriculture, farm animals, and rural life in a fun and interactive way.

Students got a firsthand look at various farm tools, organic produce, and even live demonstrations of farming techniques.

Graduation Day Ceremony

With bright smiles, confident steps, and dreams in their hearts, our young achievers made Graduation Day 2024-25 truly special.

From tiny learners to future leaders, we are proud of their progress and enthusiasm.

Dressed in tiny graduation caps and gowns, the children stole everyone's hearts as they walked proudly onto the stage. The program began with a welcome note by our Honourable Principal ma'am followed by delightful performances by the kids that showcased their talents, confidence, and the learning they've embraced throughout the year.

❖ Holi Celebration

Our respected Director Ma'am, Dr. Surabhi Bhadauria, and Principal celebrated Holi with the amazing teachers of Pratap International School. The festival of colors filled the air with laughter, love, and happiness.

The festival began by a colorful gathering where participants joyfully applied eco-friendly colors to each other, danced to festive music, and shared traditional sweets like gujiya and spicy chaat flavors.

It was a delightful day that left everyone with colorful memories and a renewed sense of community.

Workshop by Macmillan

Pratap International School hosted an Active Learning workshop with Macmillan Education Teachers engaged in interactive sessions to enhance classroom learning. 'Mr. SaapanSahibi an Inspirational Speaker', Corporate Trainer, and a budding artist with a passion for music and dramatics from Macmillan guided the participants through hands-on exercises, showcasing how to create inclusive and participatory learning environments. Attendees praised the session for its relevance, interactivity, and the opportunity to meet such an inspirational speaker.

Participants left the workshop equipped not just with new strategies, but also with a renewed sense of purpose and excitement for teaching. .
