"Education at SVIS is less about memorizing facts and more about cultivating the ability to learn, adapt, and innovate."

Dear Parent
Namaskar!

Welcome to the academic year 2025-26.

We express our sincere appreciation to all parents for their unwavering support and collaboration in ensuring our children's continued engagement and dedication to their studies. We look forward to another year brimming with meaningful learning, diverse experiences, and notable accomplishments.

As we embark on the new academic session 2025-26, our objective is to cultivate values such as integrity, responsibility, respect, and empathy, empowering our students to become responsible and compassionate members of society and global citizens. We are committed to providing a safe, nurturing, and stimulating learning environment for all our students. Our dedicated faculty is passionate about supporting each child to realize their full potential by fostering a positive and inclusive atmosphere. We encourage open communication and partnership between parents and teachers to ensure optimal learning outcomes for all our children.

The new session will commence on Tuesday, April 1, 2025, with an interaction with your ward's new class teacher to discuss their hobbies, interests, and other pertinent details. Additionally, report cards from the previous session will be distributed on the same day.

SVIS Students' Council will also organize a Book Donation Drive on April 1, 2025 during the PTM. Parents are requested to actively participate in this social endeavour by donating age-appropriate books meant for school students. Please label the books grade-wise, genre-wise (fiction/non-fiction, etc.), and deposit them near the Assembly Stage area in the accounts foyer. SVIS students can also select one or two books for free.
