ICSE and ISC Results (year 2018-2019)

Congratulations to the 107 students of our 9th batch of ICSE and 7th batch of ISC, their families and facilitators, for achieving high standards of academic excellence!

Through their zest for learning and indomitable spirit to face all challenges, our students have yet again demonstrated their passion to follow their dreams. They are steadily moving on the path of realising their goals due to a self-drive which evolves in the progressive learning and nurturing atmosphere at Shikshantar.

We wish them all the best for all future endeavours!
