Dear Parent

Motherhood is an enchanting journey that beautifully shapes the destiny of every child. Mother's Day presents us with the perfect occasion to celebrate the profound and unbreakable bond of love, nurturing care, and boundless support that mothers share with their children.

This year, we are thrilled to infuse the spirit of Mother's Day with a plethora of activities for students. We recognize that mothers are the silent champions in every child's life, and it's time to express our deepest gratitude. These activities will not only highlight the importance of family values but will also make this day unforgettable for both mothers and their children.
