## CIRCULAR

Dear Parents

Greetings!

We are pleased to inform you that our school will be offering a variety of engaging **Activity Hubs** for students of Classes III to V in the upcoming academic session 2025-26. Each student will have the opportunity to choose **one** activity from the following options:

- **Gardening**
- **STEM Activities**
- **Art & Craft**
- **Digital Literacy**

Since seats for each activity are limited, we encourage you to guide your child in making a thoughtful selection. Additionally, please note that students will have the chance to choose a new activity every month.

To streamline the selection process, we have created a Google Form where you can indicate your child's activity preferences. The Home Room Teacher (HRT) will also share the link in your class group.

Kindly rank the activities in order of preference, with **1** being the highest priority and **3** the lowest. While we will make every effort to accommodate your child's first choice, final allocation will depend on availability of seats.

We appreciate your cooperation and look forward to enthusiastic participation from all the students!
