Embracing Wisdom, Igniting Futures: Grade Nascent

Dear Parents,

Greetings!

We are delighted to present the Pre-Primary Wing Newsletter for the Second quarter of the session 2024-25 which is a vibrant and engaging compilation of our students' activities. This newsletter serves as a window into the bustling world of our youngest learners, showcasing their creativity, enthusiasm, and the joyful spirit they bring to our school community.

Our little ones have been fairly busy in this quarter! Each page of the newsletter reflects growing skills of our children, highlighting the incredible progress they are making in their developmental journey.

As we look forward to the coming months, we are excited about the many activities and learning experiences planned for the Foundational Years. Our goal remains to provide a nurturing environment where each child can explore, discover, and grow.

We hope you enjoy reading this newsletter as much as we enjoyed putting it together. Thank you for your continued support and involvement in your child's education. Together, we create a foundation for lifelong learning and success.

Warm regards,
Director-Principal

Republic Day Celebration

The young learners of St. Xavier's High School, came together to celebrate the 76th Republic Day with great enthusiasm and patriotic spirit.

The day began with the proud sight of the Tricolor unfurling during the flag hoisting ceremony, instilling a sense of pride and love for the nation in the hearts of our little ones. They paid tribute to the nation with heartfelt participation.

The celebration continued with engaging craft activities where the children showcased their creativity by making beautiful tricolor-themed crafts. These activities not only enhanced their artistic skills but also deepened their understanding of our nation's values.

It was truly inspiring to see our young learners embrace the spirit of unity, patriotism, and creativity on this special day. Let us continue to nurture these values in our children as they are the torchbearers of tomorrow.
