Online Bootcamp for students studying Artificial Intelligence

Subject: Online AI Bootcamp (Classes IX & X)

Date: 3rd July 2024 till 19th July 2024

Description

CBSE conducted a 12 days online AI Bootcamp for the students of Class IX and X from 3rd July 2024 till 19th July 2024. The session took place for two hours daily in the evening. 41 enthusiast students of Delhi Public School, Knowledge Park-V from class IX and X participated in it along with the teacher Incharge Ms. Pooja Garg. They gained insight on the Computer Vision domain of AI.

The Bootcamp culminated with the discussion on the various project ideas submitted by the students. All the project ideas were approved by the CBSE team and the students were motivated to explore further in the same to enhance their skillset.

List of students who attended the Bootcamp is as follows:
