## **Subject: Introduction of Discipline Card System for Academic Year 2025-26**

Dear Parent,

Discipline is the key to a propitious future endowed with self-control, patience and a sense of responsibility. With an aim to inculcate discipline, virtuousness, ethics, morals and values, we are introducing the card system comprising of Yellow, Orange and Red Card for the students of Classes VI to XII.

To strengthen the discipline of the school and encourage good behavioural habits, this system will be functional from July.

Any act of indiscipline would call for the issuance of a Yellow Card and the student is required to mend his behaviour and implement remedial measures.

However, after the issuance of the Yellow Card thrice to the same student, then the student will be issued an Orange Card and the parents of the student would be liable to meet the Principal/Heads.

Two Orange Cards would be equivalent to one Red Card and would result into suspension from the school for two weeks or more and expulsion from the school at the end of the academic session.

It is important to note that in case of the incidents of zero tolerance, even Orange and Red Cards can be issued directly.

Seeking your cooperation for the same.
