“Disaster Preparedness Measures” Undertaken as per DIOS Instructions

Dear Parents,

Greetings!

In adherence to the instructions received from the DIOS, the school’s “Disaster Response Team” undertook the following preparedness measures:

1. All teachers and staff have been trained to conduct emergency drills effectively.
2. Students were trained in the Drop, Cover, and Hold technique, and the drill was conducted three times today along with the sounding of the siren alarm.
3. A siren was sounded during each drill to simulate emergency conditions.
4. An audit was conducted to ensure adequate stock of emergency supplies, including medicines, food, and water.
5. The cafeteria management has been instructed to remain prepared for emergency food arrangements.

Please note that such drills are already an integral part of our school calendar and are conducted regularly to ensure preparedness.
