

HOLIDAYS HOMEWORK CLASS-IV{2025-2026}

AN INTERDISCIPLINARY ART

INTEGRATED PROJECT

THEME-MISSION LIFE (Life Style For Environment)

Mission LIFE, a global initiative focused on "Lifestyle for Environment," centres around seven key themes: energy conservation, water conservation, reducing single-use plastics, adopting sustainable food systems, reducing waste, adopting healthy lifestyles, and reducing e-waste. These themes encourage individuals to make conscious choices in their daily lives to minimize environmental impact. Together, we can build a nation that is not only beautiful but also sustainable for future generations.

GUIDELINES:-

- **CREDIT WILL BE AWARDED TO ORIGINAL IDEAS, ILLUSTRATIONS, CREATIVE USE OF MATERIALS**
- **PROJECTS SHOULD BE DONE VERY NEATLY.**
- **PARENTS SHOULD HELP THEIR CHILD FOR MAKING THE PROJECT.**
- **INTEGRATED PROJECT WILL BE MADE ACCORDING TO THE GROUPS. THESE GROUPS WILL BE SENT TO YOU IN YOUR CLASS GROUP.**

ENGLISH

- Your task is to create a beautiful Acrostic Poem on the word ENVIRONMENT. Each line of your poem should begin with a letter from the word “Environment” and express something meaningful about nature, Earth, or how we can protect it.

Example (just a start!):

E – Earth is our precious home,

N – Nature gives us air and dome,

V – Very green trees give us shade...

(Continue till the last letter!)

Instructions:

- Write the poem neatly on an A4 size sheet.
- Decorate the sheet using drawings, stickers, borders, or eco-friendly symbols like trees, recycling signs, or the sun.
- Use your best handwriting and be creative with words and design.
- Give your sheet a title and don't forget to write your name, class, and roll number.

हिंदी

ई-कचरे का पुनर्चक्रण (e-waste recycling) पर एक सुंदर स्लोगन तैयार कीजिए।

निर्देश :

- अपनी बेहतरीन लिखावट का इस्तेमाल करें और शब्दों और डिज़ाइन के साथ रचनात्मक बनाएं।
- अपनी शीट को आकर्षक और सुंदर बनाएं और अपना नाम, कक्षा और रोल नंबर लिखना न भूलें।

MATHS

Water Warriors (Measurement and Arithmetic)

Task-Calculate water saved by adopting eco-friendly habits.

- Step 1-Measure how much water flows from a tap in 1 minute (use a bucket and a stopwatch)
Example-If a tap fills a 2-litre bucket in 1 minute it uses 2 litres per minute.
- Step 2- Calculate water wasted if the tape running while brushing (e.g.2 minutes)
Total water wasted daily= 2L/min X 2min = 4 litres
- Step 3 -Multiply by 30 days to find monthly waste and write how much water can be saved by the turning off the tap.

EVS

Make a poster on topic - NAMAMI GANGA, and also write about this project and aim of this project on A 4 size sheet.

HOLIDAY HOME WORK

ENGLISH

As part of your holiday homework, you are invited to create an exciting Electric Working Model on Adverbs using cardboard, a battery, bulb, and wires.

- On one side of the cardboard, write different nouns, and on the other side write matching adverbs.
- Connect each noun to its correct adverb using wires in such a way that when the right pair is matched, the bulb lights up.
- For example: you can match-----
1. Tiger with fiercely,
2. Dancer with gracefully,
3. Student with carefully. etc.
- This fun activity will help you understand how adverbs describe how an action is done.
Be neat, creative, and make sure your model works properly.
- Paste these given assignments in your English notebook.

COMPUTER

- ROLL NO. 1-10 “The Digital Scale: Units of Computer Memory”
- ROLL NO. 11-20 “My Dream Robot” – 3D Digital Art Project

Instructions for Students:

- You can mix and match shapes, colors, and stickers.
 - Give your robot a name and describe what special job it does (e.g., helps in homework, cleans the house, protects animals, etc.)
 - Add a background using the “sticker” or “2D shapes” tools.
 - Use Paint 3D to design your very own robot.
 - Save the project and take a screenshot of your final robot for printing or display.
-
- ROLL NO. 21-35, Design a colorful poster or chart showcasing 3–5 Universal Apps with:
 - App names and logos
 - A short use case (e.g., “I use Sticky Notes to write reminders!”)
 - Fun tips (e.g., “Did you know you can draw in OneNote?”)
 - ➡ Exhibition Display: Print and mount for wall display.
 - Do the given assignment.
