## CIRCULAR

Dear Parents,

Greetings!

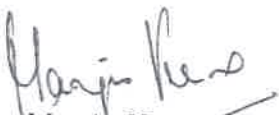

As educators it is our duty to cater to the individual needs of all our learners. To ensure understanding of concepts and their applications in all subjects, regular revision and practice is imperative.

Our teachers have curated streamlined and focussed study material in the form of Assignment Booklets. These booklets comprise of MCQs, CBQs, thought provoking questions helping the students to consolidate their learning and prepare better for assessments. This initiative was taken up from the session 2023-24 and was highly appreciated by the parents. The feedback from the parents was also incorporated to ensure that the study material is more comprehensive.

The cost of study material Booklet for classes VI-VIII is Rs.225/- and will be added in the next fee bill.

In case of any concern or query, you may please contact the HRT of your ward.

Regards
