

Visit to 90.4 FM Radio Station & Career Counselling Workshop

Subject: Visit to 90.4 FM Radio Station Excursion & Career Counselling

Date: May 17, 2025

Description:

A group of **32 students** from XI D & E participated in an educational excursion to **90.4 FM Radio Station**, which included an insightful **career counselling workshop** and a **radio experience**.

The session, organized and facilitated by **Ms. Barsha** from the radio station, was both interactive and inspiring. Students were introduced to the basics of radio programming, content creation, and career opportunities in media and communication.

A highlight of the visit was the **live segment**, where students got the chance to speak on the radio in the studio. Based on their performance, **5 students were recognized as 'Best Speakers'** for their confidence, clarity, and communication skills.
