THEME

The story “**We’re Not Afraid to Die... If We Can All Be Together**” highlights the themes of resilience, courage, and the unbreakable bond of family. Faced with life-threatening challenges at sea, the family’s unity and determination become their greatest strength. Their unwavering support for one another, especially the bravery shown by the children, demonstrates how collective spirit and hope can guide people through the darkest times. The story affirms that togetherness can turn fear into strength and adversity into triumph.

1. How did the children display remarkable courage and emotional maturity during the life-threatening situation?
2. What made reaching an island so critical for their survival, and how did teamwork and determination lead them to success?
3. Describe the beginning of their voyage. What challenges did they encounter on their journey before the storm?
4. What moment marked their deepest despair, and what helped them hold on despite losing hope?
5. In what ways did the narrator and his family prepare themselves for this ambitious sea expedition?
6. How does the story illustrate that the unity and support of a family can empower individuals to overcome even the most daunting challenges?
